6 certificate of title in proper form, process the application and its supporting
7 documents in the manner provided in this section, and unless it finds
8 discrepancies with respect to it or its supporting documents, issue a certificate
9 of title in the name of the owner and send it postpaid to such owner; and
- 10 (b) Within forty-eight (48)~~twenty-four (24)~~ hours following electronic
11 notification by a county clerk's office of an application for a certificate of title,
12 issue a speed title which shall be held for pickup or returned to the owner by
13 mail. The clerk shall take the application for title and process the appropriate
14 paperwork as provided for in this chapter. The department may provide, by
15 administrative regulation, for exceptions to the speed title procedure.
- 16 (2) Upon receiving an application packet from a county clerk, the application receipt
17 clerk of the Department of Vehicle Regulation shall:
- 18 (a) Cause the date and time of receipt to be stamped on both the department's
19 copy and the acknowledgment copy of the application transmittal record and
20 accompanying documents;
- 21 (b) Cause at least duplicate sets of images to be made of each transmittal record
22 application and supporting document by a means that will provide rapid,
23 selective, automated retrieval of individual document images by appropriate
24 indexing methods or keys; and
- 25 (c) Compare the application transmittal record with the documents accompanying
26 it and, if all applications shown upon the record are accompanying the record,
27 endorse the department's copy of the transmittal record and the

1 acknowledgment copy, and forward the acknowledgment copy to the clerk
2 who issued it.

3 (3) In the event there is a discrepancy between the application transmittal record and
4 the application attached to it, the Department of Vehicle Regulation shall note the
5 discrepancy upon the department's copy and the acknowledgment copy, and shall
6 promptly contact the issuing clerk and resolve the discrepancy. After resolving the
7 discrepancy, the department shall note the nature of the disposition of the
8 discrepancy and endorse the respective copies and forward the acknowledgment
9 copy with the discrepancy disposition noted thereon to the issuing clerk.

10 (4) After executing the acknowledgment of receipt of applications, the Department of
11 Vehicle Regulation shall carry out the following action with respect to each
12 application:

13 (a) Examine the owner's application for legibility and proper execution, presence
14 of required information, including required supporting documents, and the
15 presence of required signatures. The Department of Vehicle Regulation shall
16 ensure also that the required supporting documents are consistent in pertinent
17 part with the information shown on the owner's application;

18 (b) The documents supporting an owner's application shall be examined as to
19 authenticity and to determine if fraudulent alteration has occurred;

20 (c) Ensure that the vehicle identification number of the subject vehicle is
21 apparently legitimate;

22 (d) Ensure that the vehicle identification number and any other appropriate
23 information with respect to a vehicle for which a certificate of title has been
24 applied for is compared against the National Crime Information Center
25 (NCIC) computerized listings of vehicles reported stolen, unless NCIC is not
26 operational and the department has official notification that it is not expected
27 to be operational within four (4) working days following the day on which an

- 1 application for a certificate of title is received by it; and
- 2 (e) Compare the computer-produced certificate of title for consistency with the
3 owner's application and supporting documents.
- 4 (5) When the title application has been completed, and the application examiner at each
5 significant stage has indicated, by placing his unique symbol upon the application in
6 the space provided thereon, that an application has passed the required
7 examinations, the application shall be examined by a title examination certifier.
- 8 (6) The title application certifier shall ensure that each application has received the
9 required examinations as indicated by the presence of each required examiner's
10 symbol. Upon satisfying himself that an application has passed the required
11 examinations, the title examination certifier shall place his unique symbol together
12 with the date upon the application.
- 13 (7) The Department of Vehicle Regulation shall withhold issuance of a title, until its
14 questions are resolved to its satisfaction, when it finds material discrepancies or has
15 information giving probable cause to believe:
- 16 (a) That an applicant is not the lawful owner of a vehicle for which he seeks a
17 title;
- 18 (b) His application is not in order;
- 19 (c) The documentation supporting an application is insufficient or fraudulent;
- 20 (d) The vehicle has an illegitimate vehicle identification number;
- 21 (e) The vehicle is stolen; or
- 22 (f) That the computer-produced certificate of title is not consistent with the
23 owner's application.
- 24 (8) In the case of multiple owners, the Department of Vehicle Regulation shall require
25 only two (2) primary owners' names to be printed on the certificate of title. Upon
26 submission of the title application, if more than two (2) owners are listed, the
27 primary owners shall be determined by the title applicants. In such instances, the

1 certificate of the title shall note that there are more than two (2) owners. The names
2 of all title applicants shall be documented in AVIS.

3 (9) When the Department of Vehicle Regulation finds that a certificate of title should
4 be issued for a vehicle, the endorsement of the commissioner of the Department of
5 Vehicle Regulation shall be engrossed upon the certificate of title following a
6 preprinted statement which shall read: I certify that the Department of Vehicle
7 Regulation has exercised due diligence in examining an application for a certificate
8 of title for the above-described vehicle, and to the best of our knowledge and belief,
9 the applicant whose name appears above is the lawful owner of the apparently
10 legitimate vehicle described herein. ----- (signature), commissioner,
11 Department of Vehicle Regulation, Kentucky Transportation Cabinet.
