1 which will form a new county?" The question may also include the option  
 2 of adopting a commissioner form of government for the newly consolidated  
 3 county. If it does, the question shall read: "Are you in favor of being

 6 The advertisement of the election by the sheriff shall be in accordance with

 25 and the election and certification of the officials of the newly consolidated county. The  
 26 officers of the newly consolidated county shall be elected and take office in the same

1       ➔SECTION 3. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO  
2 READ AS FOLLOWS:

3 (1) Upon certification of an election to consolidate counties, the county  
4 judge/executive of each county shall, within thirty (30) days after the

6 transition committee for the purpose of dividing the area of the new county into  
7 districts for the election of members of the fiscal court for the new county. The  
8 appointments for each county shall be made so that they reflect as closely as  
9 possible the ratio of each of the two (2) major political parties to the total county  
10 population. The committee members representing each county shall begin  
11 meeting jointly within fifteen (15) days after their appointment and proceed to  
12 divide the area of the new county into not less than three (3) nor more than eight  
13 (8) magisterial districts, each to be as nearly equal in area and population as  
14 possible. If the election included the selection of a commission form of  
15 government, then the county judge/executive shall set the commissioner districts  
16 pursuant to KRS 67.060 at the same time the transition committee establishes the  
17 magisterial districts. The commissioners shall be elected pursuant to KRS 67.060  
18 when the magistrates for the new government are elected. The committee shall  
19 also select not fewer than two (2) names nor more than five (5) names for the new

23 consolidating county not less than sixty (60) days after the appointment of the  
24 members. The members of the transition committee shall select a chair from

26 (2) If, at the expiration of sixty (60) days after the initial meeting of the transition  
27 committee, a majority of the members have failed to agree upon the selection of

1 the names for the proposed county or failed to agree upon a plan to divide the  
2 new county into magisterial districts, the Governor shall appoint an additional  
3 person to act as chair of the committee. The Governor's appointee shall not vote  
4 on any question except in the case of a tie vote, to aid in the selection of the  
5 potential new county names, the formation of magisterial districts, or any other  
6 relevant issue for the ballot. The report of the committee shall be filed with the  
7 county judge/executive of each county not less than thirty (30) days after

7        newly formed county in the territory of the previously existing county from which  
8        the taxes were collected or may be returned to the taxpayers in the territory of the

18       county seat shall remain at this location for a period of no less than ten (10) years,  
19       after which time the citizens may remove the county seat only as provided by KRS  
20       67.020. The remaining county government buildings in the county seats of the  
21       previously existing counties shall be maintained as branch offices of the newly formed
