9 ➔Section 2. KRS 132.590 is amended to read as follows:

10 (1) The compensation of the property valuation administrator shall be based on the  
11 schedule contained in subsection (2) of this section as modified by subsection (3) of  
12 this section. The compensation of the property valuation administrator shall be  
13 calculated by the department annually. Should a property valuation administrator for  
14 any reason vacate the office in any year during his term of office, he shall be paid  
15 only for the calendar days actually served during the year.

16 (2) The salary schedule for property valuation administrators provides for nine (9)  
17 levels of salary based upon the population of the county in the prior year as  
18 determined by the United States Department of Commerce, Bureau of the Census  
19 annual estimates. To implement the salary schedule, the department shall, by  
20 November 1 of each year, certify for each county the population group applicable to  
21 each county based on the most recent estimates of the United States Department of  
22 Commerce, Bureau of the Census. The salary schedule provides four (4) steps for  
23 yearly increments within each population group. Property valuation administrators  
24 shall be paid according to the first step within their population group for the first  
25 year or portion thereof they serve in office. Thereafter, each property valuation  
26 administrator, on January 1 of each subsequent year, shall be advanced  
27 automatically to the next step in the salary schedule until the maximum salary figure

1 for the population group is reached. If the county population as certified by the  
 2 department increases to a new group level, the property valuation administrator's  
 3 salary shall be computed from the new group level at the beginning of the next year.  
 4 A change in group level shall have no affect on the annual change in step. Prior to  
 5 assuming office, any person who has previously served as a property valuation  
 6 administrator must certify to the department the total number of years, not to exceed  
 7 four (4) years, that the person has previously served in the office. The department  
 8 shall place the person in the proper step based upon a formula of one (1)  
 9 incremental step per full calendar year of service:

- 4 (3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section  
5 shall be increased by the amount of increase in the annual consumer price  
6 index as published by the United States Department of Commerce for the year  
7 ended December 31, 1999. This salary adjustment shall take effect on July 14,  
8 2000, and shall not be retroactive to the preceding January 1.
- 9 (b) For each calendar year beginning after December 31, 2000, upon publication  
10 of the annual consumer price index by the United States Department of  
11 Commerce, the annual rate of salary for the property valuation administrator  
12 shall be determined by applying the increase in the consumer price index to  
13 the salary in effect for the previous year. This salary determination shall be  
14 retroactive to the preceding January 1.
- 15 (c) In addition to the step increases based on service in office, each property  
16 valuation administrator shall be paid an annual incentive of six hundred  
17 eighty-seven dollars and sixty-seven cents (\$687.67) per calendar year for  
18 each forty (40) hour training unit successfully completed based on continuing  
19 service in that office and, except as provided in this subsection, completion of  
20 at least forty (40) hours of approved training in each subsequent calendar year.  
21 If a property valuation administrator fails without good cause, as determined  
22 by the commissioner of the department, to obtain the minimum amount of  
23 approved training in any year, the officer shall lose all training incentives  
24 previously accumulated. No property valuation administrator shall receive  
25 more than one (1) training unit per calendar year nor more than four (4)  
26 incentive payments per calendar year. Each property valuation administrator  
27 shall be allowed to carry forward up to forty (40) hours of training credit into

1 the following calendar year for the purpose of satisfying the minimum amount  
2 of training for that year. This amount shall be increased by the consumer price  
3 index adjustments prescribed in paragraphs (a) and (b) of this subsection.  
4 Each training unit shall be approved and certified by the department. Each unit  
5 shall be available to property valuation administrators in each office based on  
6 continuing service in that office. The department shall promulgate  
7 administrative regulations in accordance with KRS Chapter 13A to establish  
8 guidelines for the approval and certification of training units.

9 (4) Notwithstanding any provision contained in this section, no property valuation  
10 administrator holding office on July 14, 2000, shall receive any reduction in salary  
11 or reduction in adjustment to salary otherwise allowable by the statutes in force on  
12 July 14, 2000.

13 (5) Deputy property valuation administrators and other authorized personnel may be  
14 advanced one (1) step in grade upon completion of twelve (12) months' continuous  
15 service. The department may make grade classification changes corresponding to  
16 any approved for department employees in comparable positions, so long as the  
17 changes do not violate the integrity of the classification system. Subject to  
18 availability of funds, the department may extend cost-of-living increases approved  
19 for department employees to deputy property valuation administrators and other  
20 authorized personnel, by advancement in grade.

21 (6) Beginning with the 1990-1992 biennium, the department shall prepare a biennial  
22 budget request for the staffing of property valuation administrators' offices. An  
23 equitable allocation of employee positions to each property valuation administrator's  
24 office in the state shall be made on the basis of comparative assessment work units.  
25 Assessment work units shall be determined from the most current objective  
26 information available from the United States Bureau of the Census and other similar  
27 sources of unbiased information. Beginning with the 1996-1998 biennium,

1 assessment work units shall be based on parcel count per employee. The total sum  
2 allowed by the state to any property valuation administrator's office as  
3 compensation for deputies, other authorized personnel, and for other authorized  
4 expenditures shall not exceed the amount fixed by the department. However, each  
5 property valuation administrator's office shall be allowed as a minimum such funds  
6 that are required to meet the federal minimum wage requirements for two (2) full-  
7 time deputies.

8 (7) Beginning with the 1990-1992 biennium each property valuation administrator shall  
9 submit by June 1 of each year for the following fiscal year to the department a  
10 budget request for his office which shall be based upon the number of employee  
11 positions allocated to his office under subsection (6) of this section and upon the  
12 county and city funds available to his office and show the amount to be expended  
13 for deputy and other authorized personnel including employer's share of FICA and  
14 state retirement, and other authorized expenses of the office. The department shall  
15 return to each property valuation administrator, no later than July 1, an approved  
16 budget for the fiscal year.

17 (8) Each property valuation administrator may appoint any persons approved by the  
18 department to assist him in the discharge of his duties. Each deputy shall be more  
19 than twenty-one (21) years of age and may be removed at the pleasure of the  
20 property valuation administrator. The salaries of deputies and other authorized  
21 personnel shall be fixed by the property valuation administrator in accordance with  
22 the grade classification system established by the department and shall be subject to  
23 the approval of the department. The Personnel Cabinet shall provide advice and  
24 technical assistance to the department in the revision and updating of the personnel  
25 classification system, which shall be equitable in all respects to the personnel  
26 classification systems maintained for other state employees. Any deputy property  
27 valuation administrator employed or promoted to a higher position may be

1 examined by the department in accordance with standards of the Personnel Cabinet,  
 2 for the position to which he is being appointed or promoted. No state funds  
 3 available to any property valuation administrator's office as compensation for  
 4 deputies and other authorized personnel or for other authorized expenditures shall  
 5 be paid without authorization of the department prior to the employment by the  
 6 property valuation administrator of deputies or other authorized personnel or the  
 7 incurring of other authorized expenditures.

8 (9) Each county fiscal court shall annually appropriate and pay each fiscal year to the  
 9 office of the property valuation administrator as its cost for use of the assessment, as  
 10 required by KRS 132.280, an amount determined as follows:
