9 (d) Any carrier bidding to offer health care coverage to employees shall agree to
10 provide enrollment, claims, and utilization data to the Commonwealth in a

13 and within a time frame specified by the Personnel Cabinet; and to be subject
14 to penalties for noncompliance with data reporting requirements as specified
15 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions
16 to protect the confidentiality of each individual employee; however,
17 confidentiality assertions shall not relieve a carrier from the requirement of
18 providing stipulated data to the Commonwealth.

19 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities
20 for timely analysis of data received from carriers and, to the extent possible,
21 provide in the request-for-proposal specifics relating to data requirements,

23 shall own the enrollment, claims, and utilization data provided by each carrier
24 and shall develop methods to protect the confidentiality of the individual. The
25 Personnel Cabinet shall include in the October annual report submitted

2 loss ratios, methods of risk adjustment, measurements of carrier quality of
3 service, prescription coverage and cost management, and statutorily required
4 mandates. If state self-insurance was available as a carrier option, the report

6 including but not limited to loss ratios, reserves, and reinsurance agreements.

7 (f) If any agency participating in the state-sponsored employee health insurance
8 program for its active employees terminates participation and there is a state
9 appropriation for the employer's contribution for active employees' health
10 insurance coverage, then neither the agency nor the employees shall receive
11 the state-funded contribution after termination from the state-sponsored
12 employee health insurance program.

13 (g) Any funds in flexible spending accounts that remain after all reimbursements
14 have been processed shall be transferred to the credit of the state-sponsored
15 health insurance plan's appropriation account.

16 (h) Each entity participating in the state-sponsored health insurance program shall
17 provide an amount at least equal to the state contribution rate for the employer
18 portion of the health insurance premium. For any participating entity that used
19 the state payroll system, the employer contribution amount shall be equal to
20 but not greater than the state contribution rate.

21 (3) The premiums may be paid by the policyholder:

22 (a) Wholly from funds contributed by the employee, by payroll deduction or
23 otherwise;

24 (b) Wholly from funds contributed by any department, board, agency, public
25 postsecondary education institution, or branch of state, city, urban-county,
26 charter county, county, or consolidated local government; or

2 department, board, agency, postsecondary education institution, or branch of
3 state, city, urban-county, charter county, county, or consolidated local
4 government for any other health care coverage shall be paid by the employee.

5 (4) If an employee moves his or her place of residence or employment out of the
6 service area of an insurer offering a managed health care plan, under which he or
7 she has elected coverage, into either the service area of another managed health care
8 plan or into an area of the Commonwealth not within a managed health care plan
9 service area, the employee shall be given an option, at the time of the move or

11 (5) No payment of premium by any department, board, agency, public postsecondary
12 educational institution, or branch of state, city, urban-county, charter county,
13 county, or consolidated local government shall constitute compensation to an
14 insured employee for the purposes of any statute fixing or limiting the
15 compensation of such an employee. Any premium or other expense incurred by any
16 department, board, agency, public postsecondary educational institution, or branch
17 of state, city, urban-county, charter county, county, or consolidated local
18 government shall be considered a proper cost of administration.

19 (6) The policy or policies may contain the provisions with respect to the class or classes
20 of employees covered, amounts of insurance or coverage for designated classes or
21 groups of employees, policy options, terms of eligibility, and continuation of
22 insurance or coverage after retirement.

23 (7) Group rates under this section shall be made available to the disabled child of an
24 employee regardless of the child's age if the entire premium for the disabled child's
25 coverage is paid by the state employee. A child shall be considered disabled if he or
26 she has been determined to be eligible for federal Social Security disability benefits.

27 (8) The health care contract or contracts for employees shall be entered into for a

- 1 period of not less than one (1) year.
- 2 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of
3 State Health Insurance Subscribers to advise the secretary or the secretary's
4 designee regarding the state-sponsored health insurance program for employees.
5 The secretary shall appoint, from a list of names submitted by appointing
6 authorities, members representing school districts from each of the seven (7)
7 Supreme Court districts, members representing state government from each of the
8 seven (7) Supreme Court districts, two (2) members representing retirees under age
9 sixty-five (65), one (1) member representing local health departments, two (2)

23 obtaining or performing an abortion, nor shall any state funds be used for the
24 purpose of obtaining or performing an abortion on behalf of employees or their
25 dependents.
- 26 (11) Interruption of an established treatment regime with maintenance drugs shall be
27 grounds for an insured to appeal a formulary change through the established appeal

1 procedures approved by the Department of Insurance, if the physician supervising
2 the treatment certifies that the change is not in the best interests of the patient.

3 (12) Any employee who is eligible for and elects to participate in the state health
4 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any
5 one (1) of the state-sponsored retirement systems shall not be eligible to receive the
6 state health insurance contribution toward health care coverage as a result of any
7 other employment for which there is a public employer contribution. This does not
8 preclude a retiree and an active employee spouse from using both contributions to
9 the extent needed for purchase of one (1) state sponsored health insurance policy
10 for that plan year.

11 (13) (a) The policies of health insurance coverage procured under subsection (2) of
12 this section shall include a mail-order drug option for maintenance drugs for
13 state employees. Maintenance drugs may be dispensed by mail order in
14 accordance with Kentucky law.

15 (b) A health insurer shall not discriminate against any retail pharmacy located
16 within the geographic coverage area of the health benefit plan and that meets

19 retail pharmacy shall not be required to dispense by mail.

20 (c) The mail-order option shall not permit the dispensing of a controlled
21 substance classified in Schedule II.

22 (14) The policy or policies provided to state employees or their dependents pursuant to
23 this section shall provide coverage for obtaining a hearing aid and acquiring hearing
24 aid-related services for insured individuals under eighteen (18) years of age, subject

26 pursuant to KRS 304.17A-132.

27 (15) Any policy provided to state employees or their dependents pursuant to this section

1 shall provide coverage for the diagnosis and treatment of autism spectrum disorders
2 consistent with KRS 304.17A-142.

3 (16) Any policy provided to state employees or their dependents pursuant to this section
4 shall provide coverage for obtaining amino acid-based elemental formula pursuant
5 to KRS 304.17A-258.

6 (17) If a state employee's residence and place of employment are in the same county,
7 and if the hospital located within that county does not offer surgical services,
8 intensive care services, obstetrical services, level II neonatal services, diagnostic
9 cardiac catheterization services, and magnetic resonance imaging services, the
10 employee may select a plan available in a contiguous county that does provide
11 those services, and the state contribution for the plan shall be the amount available
12 in the county where the plan selected is located.

13 (18) If a state employee's residence and place of employment are each located in
