AN ACT relating to retirement funds of urban-county governments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 67A.430 is amended to read as follows:

 - (c) Fractional periods of service shall be considered in the calculation of such annuities according to the rate provided by paragraph (a) or (b) of this subsection, based upon the participation date of the member.
 - (d) 1. Solely for purposes of calculating ~~average~~ salary under this subsection, a member who is receiving workers' compensation benefits from the government shall be credited with any salary the member would have otherwise been paid while receiving workers' compensation benefits if the member voluntarily elects to pay to the fund an amount equivalent to the employee contribution established by KRS 67A.510 on the salary the member did not receive during the period workers' compensation benefits were paid.
 2. If the member elects to make the employee contribution payment to the fund authorized by this paragraph, the government shall pay to the fund an amount equivalent to the employer contribution required by KRS 67A.520 on the salary the member did not receive during the period workers' compensation benefits were paid.
 3. The provisions of this paragraph shall be retroactive and shall apply to all active members of the fund who have not retired and to any member who retired on or after January 1, 2021.
- (2) Any retiree or surviving spouse who, as of July 1, 2023~~[2005]~~, ~~is~~~~was~~ receiving a monthly annuity of less than *one thousand five hundred dollars (\$1,500)*~~one thousand two hundred fifty dollars (\$1,250)~~ shall have *his or her monthly annuity*~~the pension~~ increased to *one thousand five hundred dollars (\$1,500)*, **except for those retirees and surviving spouses of retirees who are receiving disability benefits not due to occupational causes as provided by KRS 67A.470**~~one thousand two hundred fifty dollars (\$1,250)~~. Such increase shall be retroactive to July 1, 2005, and the retiree or surviving spouse shall receive a lump sum payment equal to the difference between the amount of the monthly annuities received between July 1, 2005, and July 15, 2006, and the amount that would have been received had the monthly annuity been increased on July 1, 2005]. The board shall increase this annuity at the same rate as annually provided by KRS 67A.690(1), and such increase shall be determined and granted annually thereafter by the board. **Once every two (2) years and solely at the board's discretion, the board may increase the minimum monthly annuity provided by this subsection by no more than ten percent (10%) above the most recent poverty level guidelines established by the federal government for a two (2) person household and calculated on a monthly basis.**
