12 granted membership in the ~~[policemen's and firefighter's retirement] fund [of the urban-~~
13 ~~county government]~~ shall be members of the County Employees Retirement System. All

18 prior to the effective date if the number of active members choosing to transfer is not
19 sufficient to fully fund the balance of the cost of transition after available local pension
20 assets are included. The urban-county government shall elect the alternate participation
21 plan, pursuant to KRS 78.530(3), for active members who transfer to the County
22 Employees Retirement System. Notwithstanding the provisions of KRS 78.530(3)(b), the
23 urban-county government may, at its option, extend the payment period for the cost of

27 those assets, as determined by actuarial valuation, necessary to pay benefits to the

1 remaining active members of the local retirement fund and retirees and their survivors, to
2 assist in the payment of the annual installment cost of alternate participation. The County
3 Employees Retirement System employee contribution shall be made as a deduction from
4 salary, and payment to the member of salary less this deduction shall constitute a full and
5 complete discharge and acquittance of all claims and demands whatsoever for the
6 services rendered by the member during the period covered by the payment. All
7 policemen and firefighters who become members of the County Employees Retirement
8 System pursuant to this section shall be granted hazardous duty coverage.

9 →Section 5. KRS 67A.430 is amended to read as follows:

10 (1) (a) For a member whose participation date in the fund is prior to March 14, 2013,
11 the rate of retirement annuity shall be two and one-half percent (2.5%) of
12 average salary, as defined in KRS 67A.360(13), for each year of total service.

13 (b) For a member whose participation date in the fund is on or after March 14,
14 2013, the rate of retirement annuity shall be two and one-quarter percent
15 (2.25%) of average salary, as defined in KRS 67A.360(13), for each year of
16 total service.

17 (c) Fractional periods of service shall be considered in the calculation of such
18 annuities according to the rate provided by paragraph (a) or (b) of this
19 subsection, based upon the participation date of the member.

20 (d) 1. Solely for purposes of calculating average salary under this
21 subsection, a member who is receiving worker's compensation benefits
22 from the government shall be credited with any salary the member
23 would have otherwise been paid while receiving worker's
24 compensation benefits if the member voluntarily elects to pay to the
25 fund an amount equivalent to the employee contribution established
26 by KRS 67A.510 on the salary the member did not receive during the
27 period worker's compensation benefits were paid.

1 **2. If the member elects to make the employee contribution payment to**
 2 **the fund authorized by this paragraph, the government shall pay to the**
 3 **fund an amount equivalent to the employer contribution required by**
 4 **KRS 67A.520 on the salary the member did not receive during the**
 5 **period worker's compensation benefits were paid.**

6 **3. The provisions of this paragraph shall be retroactive and shall apply**
 7 **to all active members of the fund who have not retired and to any**
 8 **member who retired on or after January 1, 2021.**

9 (2) Any retiree or surviving spouse who, as of July 1, 2005, was receiving a monthly
 10 annuity of less than one thousand two hundred fifty dollars (\$1,250) shall have the
 11 pension increased to one thousand two hundred fifty dollars (\$1,250). Such increase
 12 shall be retroactive to July 1, 2005, and the retiree or surviving spouse shall receive
 13 a lump-sum payment equal to the difference between the amount of the monthly
 14 annuities received between July 1, 2005, and July 15, 2006, and the amount that
 15 would have been received had the monthly annuity been increased on July 1, 2005.
 16 The board shall increase this annuity at the same rate as annually provided by KRS
 17 67A.690(1), and such increase shall be determined and granted annually thereafter
 18 by the board.

19 ➔Section 6. KRS 67A.460 is amended to read as follows:

20 (1) If a total and permanent occupational disability occurs, the member shall receive an
 21 annuity calculated pursuant to subsection (2) of this section. This benefit shall begin
 22 at the time the member's salary ceases, and shall be paid during his or her entire
 23 lifetime. At the member's death, his or her eligible surviving spouse, if any, shall
 24 receive the benefits as provided under KRS 67A.492, and his or her minor children,
 25 if any, shall receive benefits as provided under KRS 67A.440.

26 (2) The minimum annuity rate for a total and permanent occupational disability shall
 27 be:

- 1 (a) Fifty percent (50%) of the member's last rate of salary if the member's rate of
2 disability is less than twenty percent (20%) and the disablement is the direct
3 result of documented occupational injuries for service to the department that
4 occurred on or after July 1, 2013;
- 5 (b) Sixty percent (60%) of the member's last rate of salary if the member's rate of
6 disability is less than twenty percent (20%) and the disablement is the direct
7 result of documented occupational injuries for service to the department that
8 occurred prior to July 1, 2013; or
- 9 (c) Sixty percent (60%) of the member's last rate of salary if the member's rate of
10 disability is equal to twenty percent (20%) or more. The minimum annuity
11 rate provided by this paragraph shall be increased by one half (1/2) of the
12 amount by which the member's percentage of disability exceeds twenty
13 percent (20%), but this increase shall be not more than fifteen percent (15%)
14 of the member's last rate of salary and the member's total annuity shall not be
15 greater than seventy-five percent (75%) of his or her last rate of salary.
- 16 (3) The member's percentage of disability shall be the average of the impairment rating
17 determined by two (2) physicians selected by the board under KRS 67A.480, using
18 the "Guides to the Evaluation of Permanent Impairment".
- 19 (4) (a) If a member is eligible for a service retirement annuity under KRS 67A.410
20 and the amount of the member's service retirement annuity would exceed the
21 amount of his or her total and permanent occupational disability annuity, as
22 determined by the board under this section, then the member may elect to
23 receive an additional service retirement annuity payment equal to the amount
24 by which the member's service retirement annuity would have exceeded the
25 amount of his or her total and permanent occupational disability annuity, in
26 addition to the member's disability annuity, by filing with the board the
27 application required by KRS 67A.410.

1 **(b) Effective July 1, 2022, any member who is approved by the board to convert**
2 **a service retirement to a disability retirement shall be precluded from**
3 **requesting to revert back to a service retirement. The provisions of this**
4 **paragraph shall apply to any member who begins receiving disability**
5 **retirement on or after July 1, 2022, or any member who has been approved**
6 **for a disability retirement prior to July 1, 2022, but has not yet reverted back**
7 **to a service retirement.**

8 ➔Section 7. KRS 67A.480 is amended to read as follows:

9 **(1)** For the purpose of KRS 67A.360 to 67A.690, a member shall be considered totally
10 and permanently disabled after the board has received written certification by at
11 least two (2) licensed and practicing physicians selected by the board that the
12 member is totally and likely to be permanently disabled for the further performance
13 of the duties of any assigned position in the service of the department.

14 **(2) For members who make an application for total and permanent occupational**
15 **disability, at least two (2) licensed and practicing physicians selected by the board**
16 **must also certify in writing that the member's disability is due to an occupational**
17 **cause. If such physicians do not concur as to whether the member's disability is**
18 **due to an occupational cause, the board may, with the consent of the member,**
19 **grant the member a disability retirement due to a cause other than occupational**
20 **disability under the provisions of KRS 67A.470.**

21 **(3)** If upon consideration of the report of such physicians **as provided by subsections**
22 **(1) and (2) of this section** and such other evidence as shall have been presented to it
23 by the member or others interested therein, the board finds the member to be totally
24 and permanently disabled, it shall grant him a disability retirement annuity upon
25 written certification that the member has been separated from the service of the
26 government because of total disability of such nature as to reasonably prevent
27 further service for the employer, and as a consequence is not entitled to

1 compensation from the government.

2 **(4) Nothing contained in this section shall be construed to limit the ability of a**
3 **member to seek a rehearing in accordance with KRS 67A.660 or judicial review**
4 **in accordance with KRS 67A.670 of a disability determination or calculation of a**
5 **disability retirement annuity by the board.**

6 ➔Section 8. KRS 67A.320 is amended to read as follows:

7 (1) Any urban-county government in which there existed a municipality which had in
8 effect an employees' pension fund prior to its merger into the urban-county form of
9 government shall provide by comprehensive plan or ordinance for the maintenance
10 of the pension fund for those employees covered by the pension fund, and shall in
11 each case provide for the payment to the pension fund in each month of the sum
12 necessary to maintain the fund in accordance with the actuarial principles
13 established by the actuarial studies described in this section, and may assess
14 monthly the amount or percent of the salary of the employees as determined on a
15 fair actuarial basis, and in any case not in excess of nine percent (9%) of the
16 monthly salary of each employee unless a higher rate was charged prior to the
17 merger of governments, in which case the higher rate may be charged, the
18 assessment to be deducted from the employees' salaries or picked up pursuant to
19 subsection (2) of this section and paid in cash into the pension fund. Within six (6)
20 months after the effective date of the urban-county form of government, or within
21 six (6) months after June 21, 1974, whichever shall be later, the trustees of the
22 board shall, at the expense of the pension fund, provide for the performance of an
23 actuarial valuation, which shall be completed within six (6) months thereafter, and
24 shall describe the amounts necessary to be contributed by the urban-county
25 government or other sources to fund on an actuarially sound basis the benefits
26 promised or described in the fund, including any payments required to bring the
27 fund to an actuarially sound position if it was not so at the time of the performance

1 of the valuation. The legislative body shall determine a reasonable period over
2 which additional funding, if any, shall be made, which period shall not exceed thirty
3 (30) years. A similar valuation shall be arranged by the board at the cost of the
4 urban-county government at least once in every three (3) year to five (5) year period
5 thereafter as prescribed by KRS 65.156. If the fund created by this section is
6 extended to cover employees not described in the first sentence of this section, the
7 actuarial valuation shall determine the required payments necessary to keep the
8 expanded fund on an actuarially sound basis, and the urban-county government
9 shall maintain the fund, and shall assess against the additional covered employees
10 the same monthly contribution as required for other government employees.

11 (2) The urban-county government shall, solely for the purpose of compliance with
12 Section 414(h) of the United States Internal Revenue Code, pick up the employee
13 contributions required by this section for all compensation earned after August 1,
14 1982, and the contributions picked up shall be treated as employer contributions in
15 determining tax treatment under the United States Internal Revenue Code and KRS
16 141.010. However, the urban-county government shall continue to withhold federal
17 and state income taxes based upon these contributions and hold them in a separate
18 account until the Internal Revenue Service or the federal courts rule that, pursuant
19 to Section 414(h) of the United States Internal Revenue Code, these contributions
20 shall not be included as gross income of the employee until such time as the
21 contributions are distributed or made available to the employee. The picked-up
22 employee contribution shall satisfy all obligations to the retirement fund satisfied
23 prior to August 1, 1982, by the employee contribution, and the picked-up employee
24 contribution shall be in lieu of an employee contribution. The urban-county
25 government shall pay these picked-up employee contributions from the same source
26 of funds which is used to pay earnings to the employee. The employee shall have no
27 option to receive the contributed amounts directly instead of having them paid by

1 the urban-county government to the fund. Employee contributions picked up after
2 August 1, 1982, shall be treated for all purposes of this section in the same manner
3 and to the same extent as employee contributions made prior to August 1, 1982.

4 (3) The pick up of employee contributions by the employer shall not be construed to
5 reduce the final salary or the average salary upon which the employee retirement
6 benefit is based.

7 (4) There is hereby created a board for the existing employees' pension fund and
8 trustees of that board. Trustees from the pension fund board shall consist of the
9 mayor, four (4) members of the legislative body of the urban-county government
10 selected by the legislative body, the secretary of the Finance and Administration
11 Cabinet, the director of the Division of Personnel, and three (3) civil service
12 employees or retirees to be elected to the board by those employees and retirees
13 covered by the employees' pension fund. **If no employee, retiree, or beneficiary is**
14 **able or willing to serve on the board resulting in one (1) or more vacancies of the**
15 **three (3) elected positions, any such vacancy shall be filled by appointment by the**
16 **mayor subject to the approval of the legislative body.** In the event that there is no
17 position in the urban-county government denominated secretary of the Finance and
18 Administration Cabinet and/or director of the Division of Personnel, the appointed
19 office of the urban-county government exercising the functions most closely
20 resembling such office shall serve as trustee.

21 (5) Temporary employees appointed without examination shall not be compelled to
22 contribute to any pension fund and shall not be eligible to benefits.

23 (6) In no year shall the contribution by the urban-county government to the pension
24 fund, in the manner provided in this section, be less than the total amount assessed
25 upon and deducted from the salary of the employees.

26 (7) The trustees of the pension fund shall, at least once every three (3) months, report in
27 writing to the mayor the receipts, expenditures, and financial status of the pension

1 fund, stating the places of deposit of funds, or the character of investments made,
2 and the mayor shall cause copies of the report to be posted in at least three (3)
3 places where urban-county employees frequent and report.

4 (8) If the urban-county government issues the appropriate order allowing participation
5 in the County Employees Retirement System alternate participation plan pursuant to
6 KRS 78.530(3) and 78.531(2), the urban-county government shall have the right to
7 use assets in the local pension fund, other than assets necessary to pay benefits to
8 the remaining active members of the local pension fund and to retirees and their
9 survivors as determined by actuarial valuation and other than assets payable to the
10 County Employees Retirement System pursuant to KRS 78.531(2), to assist in the
11 payment of both the employee's and employer's costs of alternate participation
12 pursuant to KRS 78.530(3)(d).

13 (9) If all liabilities to all individuals entitled to benefits from the employees' pension
14 fund have been satisfied, any ordinances established for creation or maintenance of
15 the fund may be repealed by the majority vote of the duly elected members of the
16 entire legislative body of the urban-county government. If repealed, the fund's board
17 of trustees shall, within sixty (60) days of repeal, proceed with the liquidation of any
18 residual assets of the fund. All residual assets liquidated pursuant to this subsection
19 shall be distributed by the board of trustees to the urban-county government's
20 general fund which shall then contribute the entire distribution received into the
21 policemen's and firefighters' retirement fund as a supplemental contribution, so long
22 as the return of assets complies with federal and state law governing the distribution
23 of assets. The supplemental contribution provided to the policemen's and
24 firefighters' retirement fund under this subsection shall be in addition to the
25 contributions required by KRS 67A.360 to 67A.690 and shall not be used to offset
26 any other contributions required to be paid to the fund under the provisions of KRS
27 67A.360 to 67A.690. Within thirty (30) days following the distribution of residual

1 assets, the board of trustees of the fund shall as its last act file a complete report
2 with the legislative body of the urban-county government of the actions taken to
3 terminate the fund and liquidate residual assets of the fund. Upon completion of the
4 provisions specified by this subsection, the provisions of KRS 67A.320 to 67A.330
5 as it relates to the employees' pension fund shall be void.

6 ➔Section 9. Whereas ensuring the timely receipt of benefits impacts members of
7 the fund, an emergency is declared to exist and this Act takes effect on July 1, 2022.
