- 5 indexing methods or keys; and
- 6 (c) Compare the application transmittal record with the documents accompanying
- 7 it and, if all applications shown upon the record are accompanying the record,
- 8 endorse the department's copy of the transmittal record and the
- 9 acknowledgment copy, and forward the acknowledgment copy to the clerk
- 10 who issued it.

- 14 promptly contact the issuing clerk and resolve the discrepancy. After resolving the
- 15 discrepancy, the department shall note the nature of the disposition of the

- 19 Vehicle Regulation shall carry out the following action with respect to each
- 20 application:
- 21 (a) Examine the owner's application for legibility and proper execution, presence

- 24 ensure also that the required supporting documents are consistent in pertinent
- 25 part with the information shown on the owner's application;
- 26 (b) The documents supporting an owner's application shall be examined as to
- 27 authenticity and to determine if fraudulent alteration has occurred;

- 1 (c) Ensure that the vehicle identification number of the subject vehicle is
2 apparently legitimate;
- 3 (d) Ensure that the vehicle identification number and any other appropriate
4 information with respect to a vehicle for which a certificate of title has been
5 applied for is compared against the National Crime Information Center
6 (NCIC) computerized listings of vehicles reported stolen, unless NCIC is not
7 operational and the department has official notification that it is not expected
8 to be operational within four (4) working days following the day on which an
9 application for a certificate of title is received by it; and
- 10 (e) Compare the computer-produced certificate of title for consistency with the
11 owner's application and supporting documents.
- 12 (5) When the title application has been completed, and the application examiner at each
13 significant stage has indicated, by placing his or her unique symbol upon the
14 application in the space provided thereon, that an application has passed the
15 required examinations, the application shall be examined by a title examination
16 certifier.
- 17 (6) The title application certifier shall ensure that each application has received the
18 required examinations as indicated by the presence of each required examiner's
19 symbol. Upon satisfying himself or herself that an application has passed the
20 required examinations, the title examination certifier shall place his or her unique
21 symbol together with the date upon the application.
- 22 (7) The Department of Vehicle Regulation shall withhold issuance of a title, until its
23 questions are resolved to its satisfaction, when it finds material discrepancies or has
24 information giving probable cause to believe:
- 25 (a) That an applicant is not the lawful owner of a vehicle for which he or she
26 seeks a title;
- 27 (b) His or her application is not in order;

- 1 (c) The documentation supporting an application is insufficient or fraudulent;
- 2 (d) The vehicle has an illegitimate vehicle identification number;
- 3 (e) The vehicle is stolen; or
- 4 (f) That the computer-produced certificate of title is not consistent with the
5 owner's application.
- 6 (8) In the case of multiple owners, the Department of Vehicle Regulation shall require
7 only two (2) primary owners' names to be printed on the certificate of title. Upon
8 submission of the title application, if more than two (2) owners are listed, the
9 primary owners shall be determined by the title applicants. In such instances, the
10 certificate of the title shall note that there are more than two (2) owners. The names
11 of all title applicants shall be documented in AVIS.
- 12 (9) When the Department of Vehicle Regulation finds that a certificate of title should
13 be issued for a vehicle, the endorsement of the commissioner of the Department of
14 Vehicle Regulation shall be engrossed upon the certificate of title following a
15 preprinted statement which shall read: I certify that the Department of Vehicle
16 Regulation has exercised due diligence in examining an application for a certificate
17 of title for the above-described vehicle, and to the best of our knowledge and belief,
18 the applicant whose name appears above is the lawful owner of the apparently
19 legitimate vehicle described herein. ----- (signature), commissioner,
20 Department of Vehicle Regulation, Kentucky Transportation Cabinet.
