13 "A. The board shall be responsible for the control and regulation of the  
14 practice of optometry and may:

15 (1) Adopt by-laws and regulations for the management of the board and  
16 define the duties of its officers.

17 (2) Promulgate and publish rules and regulations for the purpose of  
18 administering the provisions of this Chapter.

19 (3) Employ the necessary persons, including an attorney, to administer this  
20 Chapter.

21 (4) Summon witnesses and compel the attendance of witnesses. No  
22 subpoena shall be issued until the party who wishes to subpoena the witness first  
23 deposits with the agency a sum of money sufficient to pay all fees and expenses to  
24 which a witness in a civil case is entitled pursuant to R.S. 13:3661 and R.S. 13:3671.  
25 A summons may order a person to appear and/or produce at the hearing, books,  
26 papers, documents or any other tangible things in his possession or under his control,  
27 if a reasonably accurate description thereof is given.

28 (5)(a) Conduct hearings on proceedings, and generally enforce those  
29 provisions of this Chapter, relating to conduct and competence, including but not  
30 limited to revocation, summary suspension, suspension, probation, reprimand, fines  
31 and warnings, when evidence has been presented showing violation of any of the  
32 provisions of this Chapter.

33 (b) In addition to the power and duties granted in Subparagraph (a) of this  
34 Paragraph, the board may, in its discretion, impose a fine against any person licensed  
35 under this Chapter when evidence has been presented showing the person is in  
36 violation of any of the provisions of this Chapter and may assess costs and attorney  
37 fees against the person found to have been in violation of any of the provisions of  
38 this Chapter.

39 (6)(a) Issue a subpoena to any person or persons who the board has probable  
40 cause to believe has engaged in the practice of optometry without a current valid

1 license or permit and conduct hearings when evidence has been presented showing  
 2 that the person or persons have been engaged in the practice of optometry without  
 3 a current valid license or permit.

4 (b) Levy a civil penalty of no more than five thousand dollars per offense  
 5 upon any unlicensed person who, after a hearing or informal resolution in accordance  
 6 with all provisions of the Administrative Procedure Act and this Chapter, is found  
 7 to have practiced optometry without benefit of a current valid license having been  
 8 issued by the board pursuant to the provisions of this Chapter and assess costs and  
 9 attorney fees against the unlicensed person found to have been practicing optometry  
 10 without a current valid license.

11 (c) Levy a civil penalty not to exceed one thousand dollars upon any person  
 12 who fails to attend a hearing as a witness, or otherwise, after timely service of a  
 13 summons or subpoena.

14 (7) Establish and enforce compliance with professional standards and rules  
 15 of conduct of optometrists engaged in the practice of optometry.

16 (8) Inspect during hours of operation any licensed, permitted, certified, or  
 17 registered person including, but not limited to, pertinent records for the purpose of  
 18 determining if any provisions of law governing the legal distribution of drugs or  
 19 devices or the practice of optometry is being violated.

20 (9) Cooperate with all agencies charged with the enforcement of the laws of  
 21 the United States, of this state, and of all other states relating to drugs, devices or the  
 22 practice of optometry.

23 (10) Compel a person applying for or holding any license, registration,  
 24 certificate, permit, or any other designation deemed necessary to engage or assist in  
 25 the practice of optometry to submit to an evaluation by such persons as the board  
 26 may designate.

27 (11) Permit optometrists to join such professional organizations and  
 28 associations organized exclusively to promote the improvement of the standards of  
 29 the practice of optometry for the protection of the health, safety, and welfare of the  
 30 public or whose activities facilitate the work of the board.

31 (12) Educate the public and optometrists on issues of public health, safety  
 32 and welfare by sponsoring, promoting, managing, operating or improving health  
 33 related education services, programs or facilities in the state.

34 (13) Place under seal all drugs or devices that are owned by or in the  
 35 possession, custody, or control of a licensee at the time his license is suspended or  
 36 revoked or at the time the board refused to renew his license. Except as otherwise  
 37 provided in this Section, drugs or devices so sealed shall not be disposed of until  
 38 appeal rights under the Administrative Procedure Act have expired, or an appeal  
 39 filed pursuant to that Act has been determined.

40 (14) Establish minimum standards for maintaining the integrity and  
 41 confidentiality of prescription information and other patient health care information."

42 AMENDMENT NO. 15

43 On page 5, at the beginning of line 9, change "15" to "B."

44 AMENDMENT NO. 16

45 On page 5, delete lines 13 through 20 and insert in lieu thereof the following:

1           "C. The board shall not utilize its rulemaking authority to unilaterally expand  
2 the scope of practice of optometry beyond the services provided for in this Chapter.  
3 As clinical developments in optometry evolve, the board shall seek legislative  
4 approval through a legislative instrument for implementation of any changes to the  
5 scope of practice of optometry. Any regulation, rule, or other determination by the  
6 board which unilaterally impacts the scope of practice of optometry shall be subject  
7 to judicial review.

8           D. Except as provided in R.S. 37:1041(C)(4)(b) and (5), optometrists shall  
9 be authorized to perform only those ophthalmic surgery procedures which the board  
10 and the Louisiana State Board of Medical Examiners have both approved. If the  
11 boards fail to jointly approve a procedure, the board may seek legislative approval  
12 through a legislative instrument for the expansion of the scope of practice relative  
13 to the procedure."
