**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed constitutional amendment seeks to prevent specific statutory changes from being included within the General Appropriation Bill (HB 1) and the Ancillary Appropriation Bill.

The proposed bill provides that the constitutional amendment be submitted to voters at the November 4, 2014 election. The November 4, 2014 election is a statewide election, when all precincts in the state are scheduled to be opened. As a regular practice, the Secretary of State budgets for up to 10 constitutional amendments for the fall statewide elections.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
