

RÉSUMÉ DIGEST

ACT 68 (HB 168)

2020 Regular Session

Hodges

Existing law exempts certain boilers from regulations that affects boilers.

New law adds to the exemption for steam heating boilers carrying not more than 15 pounds pressure, the requirement that usage be exclusively for noncommercial purposes in a private home.

Effective Aug. 1, 2020.

(Amends R.S. 23:540(B)(5))
