Authorizes Montessori programs to extend through high school

The proposed legislation requires the LA Montessori Association to submit a list of (nonpublic) schools and teachers certified by the Association to the State Board of Elementary and Secondary Education (BESE) for accreditation and teacher certification. The law further provides for minimum requirements for school certification, admission policies and program requirements. Early enrollment may begin at ages two and half to three and a half or earlier. Montessori Junior School begins at age six and continues through age 14 approximately. The proposed legislation would expand Junior school to age 18 to extend the learning experience through high school.
