

## RÉSUMÉ DIGEST

ACT 629 (HB 602)

2018 Regular Session

Miguez

Existing law provides for a crime which prohibits the carrying of a firearm or dangerous weapon by a student or nonstudent on school property, at school-sponsored functions, or in a firearm free zone, and further provides for specific exceptions to this offense.

Existing law provides for the issuance of a concealed handgun permit for a person who meets certain eligibility and training requirements, but further provides that a concealed handgun permit does not authorize nor entitle the permit holder to carry a concealed handgun in certain places, including into a school, school campus, or a school bus.

New law retains existing law but adds an exception to the existing law crime for any person who has a valid concealed handgun permit issued pursuant to existing law who carries a concealed handgun within one thousand feet of any school campus.

Effective August 1, 2018.
