EXPENDITURE EXPLANATION

The Division of Administration, Office of State Buildings (OSB), assumes the intent of the proposed house concurrent resolution (HCR) applies only to exterior signage within the Capitol Grounds. The various types of signs for modification or replacement include stone monuments, historical markers, capitol building signs (including agency names), way finding signs (installed by the City of Baton Rouge), street name signs and the State Museum building sign.

OSB estimates the total cost of fabrication and installation of readily identifiable signage to be approximately \$133,320 SGF.

Type of Sign	# of Signs	\$/Sign	Total

		10% Design Fee:	\$11,100
		10% Contingency:	\$11,110
		Project Total:	\$133,320

Proposed HCR urges and requests that one-third of the signs may be produced and posted each year for the next 3 fiscal years for an estimated expenditure of \$44,440 annually. Proposed HCR provides that funding for the production and posting of the signs shall be accomplished through gifts, grants, donations, or any other funding sources not otherwise prohibited by law. If proposed HCR intends to modify signage on the interior of the state capitol, the projected total SGR expenditure would increase by an indeterminable, but likely significant, amount.

REVENUE EXPLANATION

Proposed HCR provides that funding for the production and posting of the signs shall be accomplished through gifts, grants, donation, or any other funding sources not otherwise prohibited by law (designated as SGR in this fiscal note for simplicity).
