

RÉSUMÉ DIGEST

HR 261

2023 Regular Session

Freiberg

Requests that the state Dept. of Education conduct a study relative to the screening and identification of students with respect to dyslexia, including the lack of proper identification of many students as being at risk for dyslexia, and to submit a report to the House Committee on Education and the La. Literacy Advisory Commission by 30 days prior to the 2024 R.S.
