
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Michael Bell.

SB 162 Original	DIGEST 2017 Regular Session	Appel
-----------------	--------------------------------	-------

Present law states legislative findings relative to the need for and the benefits of inclusionary zoning to provide for affordable housing.

Proposed law retains present law and changes certain wording from inclusionary zoning to incentives.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 33:5002(A)(6) and (7) and (B)(2))
