EXPENDITURE EXPLANATION

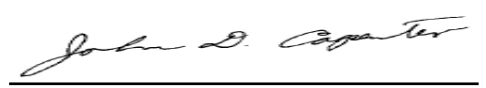

This bill provides for St. Tammany Parish government to be the state's only negotiating partner for purchasing the remaining acres associated with the Southeast Hospital property in Mandeville, LA. Although the bill lists the entire 1,968 acres of the hospital property, there are currently only 526 acres that have not yet been sold (232 acres - Pelican Park, 294 acres - hospital building property).

Note: In FY 12 St. Tammany Parish Government purchased 1,442 acres in the amount of \$6.45 million. According to DOA's contract appraiser, the remaining 526 acres could be worth approximately \$17.84 million. These proceeds have been built into the FY 14 budget.

REVENUE EXPLANATION

The current version of HB 1 (FY 14 budget) anticipates the state selling the remaining portions of the Southeast Hospital Property in the amount of \$17.84 million. These proceeds are currently being transferred into the Overcollections Fund (HB 452) and appropriated in Higher Education (HB 1).
