**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Instead of the director of the Office of Workers' Compensation within the Louisiana Workforce Commission (LWC), the proposed legislation provides that a workers' compensation judge shall assess any civil penalties for failure to acquire, comply or show proof of workers' compensation insurance.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure. The proposed legislation does not change any civil penalties. Any civil penalties assessed will still be deposited in the Office of Workers' Compensation Administrative Fund.
