<b>Subject:</b> Final Determination of Federal Income Tax Adjustments		

TAX/INCOME/PERSONAL RE NO IMPACT GF RV See Note Page 1 of 1  
Defines the term final determination for purposes of reporting federal income tax adjustments. (1/1/21)

Present law requires corporations to file an amended state tax return when the corporations federal income tax return has been adjusted by the Internal Revenue Service. The amended return is to be filed within 180 days of final determination of such adjustments.

Proposed law provides a number of specific circumstances that define "final determination", and thus trigger the 180 amended filing period.

Effective January 1, 2021.

**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure. Corporations are already required to file amended state returns when a federal income tax adjustment is final. The Department of Revenue does not anticipate the specific circumstances defining final determination provided in the bill to materially change the filing of amended state returns after a federal income tax adjustment.
