DIGEST

SB 226 Original

2020 Regular Session

Hensgens

Present law requires that the secretary of the DPS&C establish special motor vehicle license plates which may be issued, upon application, to any citizen of Louisiana who is a retired law officer.

Present law further provides that any person who was employed as a law officer for 12 years or more, was not discharged for misconduct related to employment, and has not been convicted of any felony, shall be eligible for a special motor vehicle license plate regardless of whether or not that person is a member of, or is receiving retirement benefits from, a retirement system for law officers.

Proposed law retains present law and adds that any person who was employed as a law officer and retired for medical reasons due to permanent injuries sustained in the line of duty regardless of the length of employment shall be eligible for a special motor vehicle license plate for retired law officers.

Effective August 1, 2020.
