DIGEST

SB 236 Reengrossed

2016 Regular Session

Barrow

Present law provides that upon admission of any person by emergency certificate to a treatment facility, the director of the treatment facility shall immediately notify the coroner of the parish in which the treatment facility is located of the admission, giving certain information as provided in present law, if known.

Present law, relative to St. Tammany Parish, provides, among other requirements, the following shall apply when a patient is transferred from another parish pursuant to an emergency certificate:

- (1) The coroner shall be notified immediately following the execution of a second emergency certificate and shall conduct an independent examination within 72 hours as provided in present law.
- (2) Nothing in present law shall be construed to authorize a period of commitment to exceed 15 days from the date and time the initial emergency certificate was executed in the parish of origin.

Proposed law retains present law for St. Tammany Parish and applies these provisions of present law to the parishes of East Baton Rouge, Jefferson, Orleans, and Ouachita.

Present law, relative to St. Tammany Parish, provides that when a patient is transferred from another parish pursuant to an emergency certificate, a second physician's emergency certificate may be executed by a physician at the admitting facility.

Proposed law, applicable to the parishes of East Baton Rouge, Jefferson, Orleans, Ouachita, and St. Tammany, provides that when a patient is transferred from another parish pursuant to an emergency certificate, when appropriate, a second physician's emergency certificate shall be executed by a physician at the admitting facility.

Effective August 1, 2016.
