EXPENDITURE EXPLANATION

The proposed legislation may increase SGF expenditures to purchase no smoking signs as required under current law (R. S. 40:1300.261). However, campuses report that such costs should be minor, and campuses can notify affected persons in other ways (emails, websites, policy manuals, etc). The Southern System already prohibits smoking on all campus grounds.

REVENUE EXPLANATION

Current law (R. S. 40:1300.262) authorizes fines related to violations of the proposed legislation. There is no way to estimate potential fines that might be collected. Collection of such fines may offset costs to implement the proposed legislation.
