

Prior law provided that it is unlawful for any person, without proper license as required by prior law relative to the regulation of explosives, to knowingly and intentionally manufacture, possess, or have under his control any bomb.

New law changes prior law reference to prior law relative to the licensing and regulation of explosives to conform to prior law numbering system.

New law otherwise retains prior law.

Effective upon signature of the governor (May 30, 2013).

(Amends R.S. 14:54.3(A))
