

RÉSUMÉ DIGEST

ACT 493 (SB 475)

2016 Regular Session

White

Establishes the Ambulance Transport Alternatives Task Force to assist and advise DHH on the establishment of a pilot program in East Baton Rouge Parish to transport non-emergency 9-1-1 patients to destinations other than a hospital emergency department.

Provides for task force membership, duties, reporting requirements, and rule making responsibilities.

Effective upon signature of the governor (June 13, 2016).

(Adds R.S. 40:1135.13)
