

RÉSUMÉ DIGEST

ACT 403 (SB 68)

2018 Regular Session

Claitor

New law requires any person operating a motor vehicle on the public roads of this state during flood conditions to drive in a careful and prudent manner, so as not to create a wake that endangers the life, limb, or property of any person. Failure to drive in such a manner shall constitute careless operation during flood conditions.

New law provides a rebuttable presumption that certain persons were operating a motor vehicle in a careful and prudent manner during flood conditions.

Effective upon signature of the governor (May 23, 2018).
