SUBJECT: House Rule 7.19, General Appropriations HB 1 Reengrossed with  
Senate Amendments

Pursuant to House Rule 7.19, the Legislative Fiscal Office (LFO) is required to submit a report to the House of Representatives that indicates whether the general appropriation bill, HB 1 Reengrossed with Senate Amendments, appropriates one-time money.

**HR 7.19 One-Time Money List**

Pursuant to HR 7.19(C)(2), appropriations from one-time money for ordinary recurring expenses may not exceed the projected growth of the state general fund from the fiscal year for which the appropriation is proposed and the subsequent fiscal year according to the most recent official forecast. The threshold calculation is the difference between the official SGF revenue forecast adopted by the Revenue Estimating Conference on May 16, 2017, for FY 18 of \$9,442.2 B and for FY 19 of \$8,367.9 B, which equates to \$1,074.3 M of SGF revenue loss. The amount of one-time funds, as defined by HR 7.19, allowed to be appropriated in HB 1 for FY 18 expenditure is (\$0). **There is no (\$0) one-time money as defined in House Rule 7.19 in HB 1 Reengrossed with Senate Amendments.**

**FY 19 Replacement Financing Decision List**

There is no significant potential FY 19 financing replacements necessary as a result of the proposed FY 18 budget.
