HOUSE BILL NO. 1

BY REPRESENTATIVE HENRY

APPROPRIATIONS: Provides for the ordinary operating expenses of state government for Fiscal Year 2017-2018 (Item #2)

1 AN ACT

2 Making annual appropriations for Fiscal Year 2017-2018 for the ordinary expenses of the  
3 executive branch of state government, pensions, public schools, public roads, public  
4 charities, and state institutions and providing with respect to the expenditure of said  
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the  
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the  
9 Louisiana Constitution.

10 Section 2. All money from federal, interagency, statutory dedications, or self-generated  
11 revenues shall be available for expenditure in the amounts herein appropriated. Any increase  
12 in such revenues shall be available for allotment and expenditure by an agency on approval  
13 of an increase in the appropriation by the commissioner of administration and the Joint  
14 Legislative Committee on the Budget. Any increase in such revenues for an agency without  
15 an appropriation from the respective revenue source shall be incorporated into the agency's  
16 appropriation on approval of the commissioner of administration and the Joint Legislative  
17 Committee on the Budget. In the event that these revenues should be less than the amount  
18 appropriated, the appropriation shall be reduced accordingly. To the extent that such funds  
19 were included in the budget on a matching basis with state funds, a corresponding decrease  
20 in the state matching funds may be made. Any federal funds which are classified as disaster  
21 or emergency may be expended prior to approval of a BA-7 by the Joint Legislative

1 Committee on the Budget upon the secretary's certifying to the governor that any delay  
2 would be detrimental to the state. The Joint Legislative Committee on the Budget shall be  
3 notified in writing of such declaration and shall meet to consider such action, but if it is  
4 found by the committee that such funds were not needed for an emergency expenditure, such  
5 approval may be withdrawn and any balance remaining shall not be expended.

6 Section 3.A. Notwithstanding any other law to the contrary, the functions of any  
7 department, agency, program, or budget unit of the executive branch, except functions in  
8 departments, agencies, programs, or budget units of other statewide elected officials, may  
9 be transferred to a different department, agency, program, or budget unit for the purpose of  
10 economizing the operations of state government by executive order of the governor.  
11 Provided, however, that each such transfer must, prior to implementation, be approved by  
12 the commissioner of administration and Joint Legislative Committee on the Budget. Further,  
13 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,  
14 Organization of the Executive Branch of State Government.

15 B. In the event that any agency, budget unit, program, or function of a department is  
16 transferred to any other department, agency, program, or budget unit by other Act or Acts  
17 of the legislature, the commissioner of administration shall make the necessary adjustments  
18 to appropriations through the notification of appropriation process, or through approval of  
19 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions  
20 of the Act or Acts which provide for the transfers.

21 C. Notwithstanding any other law to the contrary and before the commissioner of  
22 administration shall authorize the purchase of any luxury or full-size motor vehicle for  
23 personal assignment by a statewide elected official other than the governor and lieutenant  
24 governor, such official shall first submit the request to the Joint Legislative Committee on  
25 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such  
26 vehicles as defined or used in rules or guidelines promulgated and implemented by the  
27 Division of Administration.

28 D. Notwithstanding any provision of law to the contrary, each agency which has  
29 contracted with outside legal counsel for representation in an action against another agency,  
30 shall submit a detailed report of all litigation costs incurred and payable to the outside

1 counsel to the commissioner of administration, the legislative committee charged with  
2 oversight of that agency, and the Joint Legislative Committee on the Budget. The report  
3 shall be submitted on a quarterly basis, each January, April, July, and October, and shall  
4 include all litigation costs paid and payable during the prior quarter. For purposes of this  
5 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the  
6 agency and of the other party if the agency was required to pay such costs and fees. The  
7 commissioner of administration shall not authorize any payments for any such contract until  
8 such report for the prior quarter has been submitted.

9 E. Notwithstanding any provision of law to the contrary, each agency may use a portion  
10 of its appropriations contained in this Act for the expenditure of funds for salaries and  
11 related benefits for smoking cessation wellness programs, including pharmacotherapy and  
12 behavioral counseling for state employees of the agency.

13 Section 4. Each schedule as designated by a five-digit number code for which an  
14 appropriation is made in this Act is hereby declared to be a budget unit of the state.

15 Section 5.A. The program descriptions, account descriptions, general performance  
16 information, and the role, scope, and mission statements of postsecondary education  
17 institutions contained in this Act are not part of the law and are not enacted into law by  
18 virtue of their inclusion in this Act.

19 B. All key and supporting performance objectives and indicators for the departments,  
20 agencies, programs, and budget units contained in the Governor's Executive Budget  
21 Supporting Document shall be adjusted by the commissioner of administration to reflect the  
22 funds appropriated therein. The commissioner of administration shall report on these  
23 adjustments to the Joint Legislative Committee on the Budget by August 15, 2017.

24 C. The discretionary and nondiscretionary allocations contained in this Act are provided  
25 in accordance with R.S. 39:51(A)(3) and are to provide information to assist in legislative  
26 decision making and shall not be construed to limit the expenditures or means of financing  
27 of an agency, budget unit, or department to the discretionary or nondiscretionary amounts  
28 contained in this Act.

29 D. The expenditure category allocations contained in this Act are provided in  
30 accordance with R.S. 39:51(C) and are to provide information to assist in legislative decision

1 making and shall not be construed to limit the expenditures or means of financing of an  
2 agency, budget unit, or department to the expenditure category amounts contained in this  
3 Act. The commissioner of administration shall report to the Joint Legislative Committee on  
4 the Budget the initial allocation of expenditures as required by R.S. 39:57.1. Any  
5 subsequent change to the allocation of expenditures shall be reported by the commissioner  
6 of administration to the Joint Legislative Committee on the Budget. The commissioner of  
7 administration shall post the initial allocation of expenditures and any changes to the  
8 allocations of expenditures on the website maintained by the commissioner under R.S.  
9 39:6(C).

10 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between  
11 departments or schedules receiving appropriations. However, any unencumbered funds  
12 which accrue to an appropriation within a department or schedule of this Act due to policy,  
13 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner  
14 of administration and the Joint Legislative Committee on the Budget, be transferred to any  
15 other appropriation within that same department or schedule. Each request for the transfer  
16 of funds pursuant to this Section shall include full written justification. The commissioner  
17 of administration, upon approval by the Joint Legislative Committee on the Budget, shall  
18 have the authority to transfer between departments funds associated with lease agreements  
19 between the state and the Office Facilities Corporation.

20 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,  
21 and facilities of each department, agency, program or budget unit's information technology  
22 resources and procurement resources, upon completion of this assessment and to the extent  
23 optimization of these resources will result in the projected cost savings through staff  
24 reductions, realization of operational efficiencies, cost avoidance, and elimination of asset  
25 duplication, the commissioner of administration is authorized to transfer the functions,  
26 positions, assets, and funds from any other department, agency, program, or budget units  
27 related to these optimizations to a different department. The provisions of this Subsection  
28 shall not apply to the Department of Culture, Recreation and Tourism, or any agency  
29 contained in Schedule 04, Elected Officials, of this Act.

1 C. The commissioner of administration shall review all existing leases for office and  
2 warehouse space and compare the rent per square foot of such space to the market rent of  
3 similar space in the same market. The commissioner of administration is authorized and

6 Legislative Committee on the Budget, shall have the authority to transfer between  
7 departments funds from any savings from renegotiated leases.

15 Section 8.A.(1) The figures in parentheses following the designation of a program are  
16 the total authorized positions and authorized other charges positions for that program. If  
17 there are no figures following a department, agency, or program, the commissioner of  
18 administration shall have the authority to set the number of positions.

19 (2) The commissioner of administration, upon approval of the Joint Legislative  
20 Committee on the Budget, shall have the authority to transfer positions between departments,  
21 agencies, or programs or to increase or decrease positions and associated funding necessary  
22 to effectuate such transfers.

17 accordance with these standards and shall have direct and unrestricted access to the  
18 commission, board, secretary, or equivalent head of the agency. The chief audit executive

25 active employees and those retirees with Medicare in accordance with R.S. 42:851(D)(1) for  
26 the state basic health insurance indemnity program.

29 Joint Legislative Committee on the Budget and the House and Senate committees on

2 pay out of its appropriation funds necessary to satisfy the requirements of such increase.

3 Section 9. In the event the governor shall veto any line item expenditure and such veto  
4 shall be upheld by the legislature, the commissioner of administration shall withhold from  
5 the department's, agency's, or program's funds an amount equal to the veto. The  
6 commissioner of administration shall determine how much of such withholdings shall be  
7 from the state General Fund.

8 Section 10.A. Pursuant to Article IV, Section 5(G)(2) and Article VII, Section 10(F) of  
9 the Louisiana constitution, if at any time during Fiscal Year 2017-2018 the official budget  
10 status report indicates that appropriations will exceed the official revenue forecast, the  
11 governor shall have full power to reduce appropriations in accordance with R.S. 39:75. The  
12 governor shall have the authority to make adjustments to other means of financing and  
13 positions necessary to balance the budget as authorized by R.S. 39:75(C).

14 B. The governor shall have the authority within any month of the fiscal year to direct  
15 the commissioner of administration to disapprove warrants drawn upon the state treasury for  
16 appropriations contained in this Act which are in excess of amounts approved by the  
17 governor in accordance with R.S. 39:74.

18 C. The governor may also, and in addition to the other powers set forth herein, issue  
19 executive orders in a combination of any of the foregoing means for the purpose of  
20 preventing the occurrence of a deficit.

21 Section 11. Notwithstanding the provisions of Section 2 of this Act, the commissioner  
22 of administration shall make such technical adjustments as are necessary in the interagency  
23 transfers means of financing and expenditure categories of the appropriations in this Act to  
24 result in a balance between each transfer of funds from one budget unit to another budget  
25 unit in this Act. Such adjustments shall be strictly limited to those necessary to achieve this  
26 balance and shall in no way have the effect of changing the intended level of funding for a  
27 program or budget unit of this Act.

28 Section 12.A. For the purpose of paying appropriations made herein, all revenues due  
29 the state in Fiscal Year 2017-2018 shall be credited by the collecting agency to Fiscal Year

1 2017-2018 provided such revenues are received in time to liquidate obligations incurred  
2 during Fiscal Year 2017-2018.

3 B. A state board or commission shall have the authority to expend only those funds that  
4 are appropriated in this Act, except those boards or commissions which are solely supported  
5 from private donations or which function as port commissions, levee boards or professional  
6 and trade organizations.

7 Section 13.A. Notwithstanding any other law to the contrary, including any provision  
8 of any appropriation act or any capital outlay act, no constitutional requirement or special  
9 appropriation enacted at any session of the legislature, except the specific appropriations acts  
10 for the payment of judgments against the state, of legal expenses, and of back supplemental  
11 pay, the appropriation act for the expenses of the Department of Justice, the appropriation  
12 act for the expenses of the judiciary, and the appropriation act for expenses of the legislature,  
13 its committees, and any other items listed therein, shall have preference and priority over any  
14 of the items in the General Appropriation Act or the Capital Outlay Act for any fiscal year.

15 B. In the event that more than one appropriation is made in this Act which is payable  
16 from any specific statutory dedication, such appropriations shall be allocated and distributed  
17 by the state treasurer in accordance with the order of priority specified or provided in the law  
18 establishing such statutory dedication and if there is no such order of priority such  
19 appropriations shall be allocated and distributed as otherwise provided by any provision of  
20 law including this or any other act of the legislature appropriating funds from the state  
21 treasury.

22 C. In accordance with R.S. 49:314(B)(1) and (2) appropriations from the Transportation  
23 Trust Fund in the General Appropriation Act and the Capital Outlay Act shall have equal  
24 priority. In the event revenues being received in the state treasury and being credited to the  
25 fund which is the source of payment of any appropriation in such acts are insufficient to fully  
26 fund the appropriations made from such fund source, the treasurer shall allocate money for  
27 the payment of warrants drawn on such appropriations against such fund source during the  
28 fiscal year on the basis of the ratio which the amount of such appropriation bears to the total  
29 amount of appropriations from such fund source contained in both acts.

1 Section 14. Pay raises or supplements provided for by this Act shall in no way supplant  
2 any local or parish salaries or salary supplements to which the personnel affected would be  
3 ordinarily entitled.

4 Section 15. Any unexpended or unencumbered reward monies received by any state  
5 agency during prior fiscal years pursuant to the Exceptional Performance and Efficiency  
6 Incentive Program may be carried forward for expenditure in Fiscal Year 2017-2018, in  
7 accordance with the respective resolution granting the reward. The commissioner of  
8 administration shall implement any internal budgetary adjustments necessary to effectuate  
9 incorporation of these monies into the respective agencies' budgets for Fiscal Year 2017-  
10 2018, and shall provide a summary list of all such adjustments to the Joint Legislative  
11 Committee on the Budget by August 31.

12 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act  
13 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions  
14 shall not affect the remaining provisions of the Act, and the legislature hereby declares that  
15 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part  
16 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,  
17 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the  
18 provisions of this Act are hereby declared severable.

19 Section 17.A. All BA-7 budget transactions, including relevant changes to performance  
20 information, submitted in accordance with this Act or any other provisions of law which  
21 require approval by the Joint Legislative Committee on the Budget or joint approval by the  
22 commissioner of administration and the Joint Legislative Committee on the Budget shall be  
23 submitted to the commissioner of administration, Joint Legislative Committee on the  
24 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to  
25 consideration by the Joint Legislative Committee on the Budget. Each submission must  
26 include full justification of the transaction requested, but submission in accordance with this  
27 deadline shall not be the sole determinant of whether the item is actually placed on the  
28 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not  
29 submitted in accordance with the provisions of this Section shall be considered by the

1 commissioner of administration and Joint Legislative Committee on the Budget only when  
2 extreme circumstances requiring immediate action exist.

3 B. The commissioner of administration shall submit all approved BA-7 budget  
4 transactions to the Joint Legislative Committee on the Budget and shall post all approved  
5 BA-7 budget transactions on the website maintained by the commissioner of administration  
6 under R.S. 39:6(C). The commissioner of administration shall submit a monthly report to  
7 the Joint Legislative Committee on the Budget on all BA-7 budget transactions approved in  
8 the prior month and all BA-7 budget transactions approved for the current fiscal year. The  
9 report shall include BA-7 budget transactions approved jointly with the Joint Legislative  
10 Committee on the Budget and those that do not require approval by the Joint Legislative  
11 Committee on the Budget. The commissioner of administration shall also post the monthly  
12 report on the website maintained under R.S. 39:6(C).

13 C. Notwithstanding any contrary provision of this Act or any contrary provision of law,  
14 no funds appropriated by this Act shall be released or provided to any recipient of an  
15 appropriation made in this Act if, when, and for as long as, the recipient fails or refuses to  
16 comply with the provisions of R.S. 24:513. No recipient shall be considered to fail or refuse  
17 to comply with the provisions of R.S. 24:513 pursuant to this Section during any extension  
18 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The  
19 legislative auditor may grant a recipient, for good cause shown, an extension of time to  
20 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may  
21 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient  
22 entities of an appropriation contained in this Act with recommendation by the legislative  
23 auditor pursuant to R.S. 39:72.1.

24 Section 18.A. Except for the conditions set forth in Subsection B of this Section, the  
25 following sums or so much thereof as may be necessary are hereby appropriated out of any  
26 monies in the state treasury from the sources specified; from federal funds payable to the  
27 state by the United States Treasury; or from funds belonging to the State of Louisiana and/or  
28 collected by boards, commissions, departments, and agencies thereof, for purposes specified  
29 herein for the year commencing July 1, 2017, and ending June 30, 2018. Funds appropriated  
30 to auxiliary accounts herein shall be from prior and current year collections, with the

1 exception of state General Fund (Direct). The commissioner of administration is hereby  
2 authorized and directed to correct the means of financing and expenditures for any  
3 appropriation contained in Schedule 20-901 Sales Tax Dedications to reflect the enactment  
4 of any law enacted in any 2017 session of the Legislature which affects any such means of  
5 financing or expenditure. Further provided with regard to auxiliary funds, that excess cash  
6 funds, excluding cash funds arising from working capital advances, shall be invested by the  
7 state treasurer with the interest proceeds therefrom credited to each account and not  
8 transferred to the state General Fund. This Act shall be subject to all conditions set forth in  
9 Title 39 of the Louisiana Revised Statutes of 1950 as amended.

10 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public  
11 agency or entity which is not a budget unit of the state unless the intended recipient of those  
12 funds submits, for approval, a comprehensive budget to the legislative auditor and the  
13 transferring agency showing all anticipated uses of the appropriation, an estimate of the  
14 duration of the project, and a plan showing specific goals and objectives for the use of such  
15 funds, including measures of performance. In addition, and prior to making such  
16 expenditure, the transferring agency shall require each recipient to agree in writing to  
17 provide written reports to the transferring agency at least every six months concerning the  
18 use of the funds and the specific goals and objectives for the use of the funds. In the event  
19 the transferring agency determines that the recipient failed to use the funds set forth in its  
20 budget within the estimated duration of the project or failed to reasonably achieve its  
21 specific goals and objectives for the use of the funds, the transferring agency shall demand  
22 that any unexpended funds be returned to the state treasury unless approval to retain the  
23 funds is obtained from the division of administration and the Joint Legislative Committee  
24 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the  
25 amount of the public funds received by the provider is below the amount for which an audit  
26 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of  
27 the funds to ensure effective achievement of the goals and objectives. The transferring  
28 agency shall forward to the legislative auditor, the division of administration, and the Joint  
29 Legislative Committee on the Budget a report showing specific data regarding compliance

1 with this Section and collection of any unexpended funds. This report shall be submitted no  
2 later than May 1, 2018.

3 (2) Transfers to public or quasi-public agencies or entities that have submitted a budget  
4 request to the division of administration in accordance with Part II of Chapter 1 of Subtitle  
5 1 of Title 39 of the Louisiana Revised Statutes of 1950 and transfers authorized by specific  
6 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of  
7 Louisiana to local governing authorities shall be exempt from the provisions of this  
8 Subsection.

9 (3) Notwithstanding any other provision of law or this Act to the contrary, if the name  
10 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,  
11 the state treasurer may pay the funds appropriated to the entity without obtaining the  
12 approval of the Joint Legislative Committee on the Budget, but only after the entity has  
13 provided proof of its correct legal name to the state treasurer and transmitted a copy to the  
14 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

15 C. The Louisiana Department of Health shall continue to provide for immunizations in  
16 those parish health units which receive any funding from local governmental sources.

17 D. All departments containing appropriations out of means of financing designated as  
18 coming from prior and current year collections shall report all prior year balances to the Joint  
19 Legislative Committee on the Budget at its first meeting held after October 15, 2017.

20 E. An amount up to \$17,900,775 in State General Fund (Direct) is hereby appropriated  
21 upon the approval of an employee compensation plan by the Civil Service Commission and  
22 the governor. The commissioner of administration is authorized to allocate the appropriation  
23 and adjust the other means of financing necessary to implement the approved plan. This  
24 authorization applies to the unclassified employees within this Act that are paid according  
25 to approved pay scales.

26 F. The commissioner of administration is hereby authorized and directed to reduce up  
27 to \$17,900,775 in State General Fund (Direct) contained in each department budget unit in  
28 this Act to achieve the funds necessary for an employee compensation plan. The  
29 commissioner of administration is also authorized to adjust the other means of financing  
30 necessary.

**SCHEDULE 09**

**LOUISIANA DEPARTMENT OF HEALTH**

For Fiscal Year 2017-2018, cash generated by each budget unit within Schedule 09 may be pooled with any other budget unit within Schedule 09 to avoid a cash deficit. No budget unit may expend more revenues than are appropriated to it in this Act except upon the approval of the Division of Administration and the Joint Legislative Committee on the Budget, or as may otherwise be provided for by law.

Notwithstanding any provision of law to the contrary, the department shall purchase medical services for consumers in the most cost effective manner. The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law.

Beginning on October 1, 2017, and monthly thereafter, the department shall submit a report detailing the programmatic allocations of the total appropriated for Schedule 09-306 Medical Vendor Payments in this Act to the Joint Legislative Committee on the Budget for its review. The first report shall include a detailed itemization of the actual means of financing and expenditures for Medical Vendor Payments in Fiscal Year 2016-2017 and the initial allocation of payments for Fiscal Year 2017-2018 to provider groups, state agencies, or managed care programs within each of the four programs: Payments to Private Providers; Payments to Public Providers; Medicare Buy-Ins and Supplements; and Uncompensated Care Costs. The first report shall also include, for both the prior and current fiscal year, an itemization of supplemental payments and uncompensated care costs payments to the LSU Public Private Partnership hospitals. The second report, and each subsequent report thereafter, shall itemize the projected expenditures in Fiscal Year 2017-2018 for each allocation within the four programs and payments to the public private partnership hospital as presented in the first report of the fiscal year. Also, the reports shall include a section specifying the total amount of pharmacy rebates received year-to-date and the total amount projected to be received by the end of the fiscal year. Further, the department shall include a section in each report detailing the anticipated levels of revenue collections in Medical Vendor Payments by source and, in the event a deficit is projected, any other sources of revenues that may be available or adjustments in expenditures that could be implemented within the department to aid in alleviating the projected deficit. Finally, the department may vary the forecasting methodologies utilized to produce the reports as necessary to ensure the submission of the most accurate projections of revenues and expenditures as practicable.

Notwithstanding any law to the contrary and specifically R.S. 39:82(E), for Fiscal Year 2017-2018 any over-collected funds, including interagency transfers, fees and self-generated revenues, federal funds, and surplus statutory dedicated funds generated and collected by any agency in Schedule 09 for Fiscal Year 2016-2017 may be carried forward and expended in Fiscal Year 2017-2018 in the Medical Vendor Program. Revenues from refunds and recoveries in the Medical Vendor Program are authorized to be expended in Fiscal Year 2017-2018. No such carried forward funds, which are in excess of those appropriated in this Act, may be expended without the express approval of the Division of Administration and the Joint Legislative Committee on the Budget.

Notwithstanding any law to the contrary, the secretary may transfer, with the approval of the commissioner of administration via midyear budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and associated personal services funding if necessary from one budget unit to any other budget unit and/or between programs within any budget unit within this schedule. Not more than an aggregate of one-hundred (100) positions and associated personal services may be transferred between budget units and/or programs within a budget unit without the approval of the Joint Legislative Committee on the Budget.

1 Notwithstanding any provision of law to the contrary, the secretary is authorized to transfer,  
 2 with the approval of the commissioner of administration through midyear budget  
 3 adjustments, funds and authorized positions from one budget unit to any other budget unit  
 4 and/or between programs within any budget unit within this schedule. Such transfers shall  
 5 be made solely to provide for the effective delivery of services by the department, promote  
 6 efficiencies and enhance the cost effective delivery of services. Not more than six million  
 7 dollars may be transferred pursuant to this authority. The secretary and the commissioner  
 8 shall promptly notify the Joint Legislative Committee on the Budget of any such transfer.

9 Notwithstanding any provision of law to the contrary, the department shall not be under any  
 10 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may  
 11 utilize other revenue sources to provide these services. Provided, further, that any additional  
 12 funding for state plan personal assistance services may be used as state match for available  
 13 federal funds.

14 The commissioner of administration is hereby authorized and directed to adjust the means  
 15 of financing in this department by reducing the appropriation out of the State General Fund  
 16 (Direct) by \$187,675,546.

17 Provided, however, that the department shall not reduce the payments for waivers services,  
 18 applied behavioral analysis rates, or graduate medical education.

19 Provided further, that any non-state entity reimbursing for the provision of applied  
 20 behavioral analysis services to Medicaid enrollees as a part of a contract with the department  
 21 also shall not reduce the reimbursement rates paid for such services.
