HB 116 Engrossed

2018 Regular Session

Zeringue

Abstract: Authorizes and directs the Coastal Protection and Restoration Authority to issue rules, regulations, or guidelines for the implementation of their existing contracting authority.

Present law authorizes the executive director of the Coastal Protection and Restoration Authority (CPRA) to use his contracting authority, or the contracting authority of any state department or agency, for the operation and maintenance of an integrated coastal protection project. Specifies that the contracting authority includes construction management at risk, operation and maintenance, design-build, design-build-operate and maintain, design-build-finance-operate and maintain, outcome-based performance contracts, or any combination of design, construction, finance, and services.

Proposed law authorizes and directs the CPRA to promulgate, through the Administrative Procedure Act, rules, regulations, or guidelines for the implementation of the contracting authority.
