 15 benefit to the state from the privately funded scholarship program. The state
 16 treasurer shall deposit the amount of such reduction as specified by the
 17 commissioner of administration into the Overcollections Fund created in R.S.
 18 39:100.21 and credit such deposit to an account within the fund hereby established

 25 conducted by a certified public accountant who has been approved by the legislative
 26 auditor. Such audit shall be accompanied by the auditor's statement that the report
 27 is free of material misstatements and fairly presents the participating school's
 28 maximum tuition or actual cost of educating a student pursuant to R.S. 17:4016. The
 29 audit shall be limited in scope to those records necessary for the department to make

1 scholarship payments to the participating school and shall be submitted to the
 2 legislative auditor for review and investigation of any irregularities or audit findings.
 3 The participating school shall account for all scholarship funds separately from other
 4 funds by maintaining funds in a separate account or by using accounting procedures
 5 that allow the legislative auditor to identify the separate funds pursuant to the
