HB No. 301

Abstract: Provides for terms of service for classified workers' compensation judges and that upon expiration of such a term, unless reappointed, such a judge shall be in the unclassified service.

Present constitution provides for state civil service and provides that persons not in the unclassified service are in the classified service. Present constitution specifies those officers and employees who are in the unclassified service, specifically elected officials and persons appointed to fill vacancies in elective offices; the heads of each principal executive department appointed by the governor; members of state boards, authorities, and commissions; one private secretary to the president of each college or university; one person holding a confidential position and one principal assistant or deputy to any officer, board, commission, or authority so included in the unclassified service, except civil service departments; members of the military or naval forces; teaching and professional staffs, and

administrative officers of schools, colleges, and universities of the state, and bona fide students of those institutions employed by any state, parochial, or municipal agency; employees, deputies, and officers of the legislature and of the offices of the governor, lieutenant governor, attorney general, and of all offices provided for in Const. Art. V except the offices of clerk of the municipal and traffic courts in New Orleans; commissioners of elections, watchers, and custodians and deputy custodians of voting machines; railroad employees whose working conditions and retirement benefits are regulated by federal agencies in accordance with federal law; and the director, deputy director, and all employees of the Governor's Office of Homeland Security and Emergency Preparedness. Present constitution provides that the state civil service commission, by commission rule, may add to the unclassified service and may revoke positions so added.

Proposed constitutional amendment retains present constitution but provides that, unless the position of workers' compensation judge is included in the unclassified service, a workers' compensation judge shall be in the classified state service but shall be appointed for a five-year term. Provides that, upon expiration of any such term, such a workers' compensation judge shall be in the unclassified service unless reappointed for a subsequent term, employed in another classified position, or separated from state service. Specifies that, during his term of service, a workers' compensation judge shall be subject to removal for cause and as otherwise permitted for classified employees. Authorizes the legislature to provide exceptions for workers' compensation judges employed on the effective date of proposed constitutional amendment.

Provides for submission of the proposed amendment to the voters at the statewide election to be held Nov. 6, 2012.

Effective Jan. 1, 2013.

(Adds Const. Art. X, §2(C))
