

2015 Regular Session

HOUSE BILL NO. 353

BY REPRESENTATIVE PONTI

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

BUILDING CODES: Provides for the review of state uniform construction code enforcement

1 AN ACT

2 To enact R.S. 40:1730.22(F), 1730.22.2, 1730.34.1, and 1730.34.2, relative to the review of
3 the enforcement of the state uniform construction code; to provide for a supervising
4 council member; to establish the Building Code Enforcement Officer Subcommittee;
5 to provide for the membership, duties, and powers of the subcommittee; to provide
6 for the investigation and resolution of complaints regarding violations of the state
7 uniform construction code; to require due process protections; to provide for
8 penalties; and to provide for related matters.

9 Be it enacted by the Legislature of Louisiana:

10 Section 1. R.S. 40:1730.22(F), 1730.22.2, 1730.34.1, and 1730.34.2 are hereby
11 enacted to read as follows:

12 §1730.22. Louisiana State Uniform Construction Code Council; membership;
13 function of council; meeting requirements; immunity; supervising council
14 member

15 * * *

16 F.(1) The chairman of the council shall designate a member of the council
17 who is a Louisiana-licensed professional engineer or architect or an active or retired
18 certified building official to act as the supervising council member for the
19 investigation of complaints and adjudication of violations of the provisions of this

1 Part, and any rules promulgated thereunder, or the state uniform construction code
2 pursuant to R.S. 40:1730.34.1 and 1730.34.2.

3 (2) The member appointed by the chairman shall serve as supervising
4 council member for a period of one year.

5 (3) The member appointed to act as the supervising council member may
6 recuse himself in the event of a real or perceived conflict of interest. If the
7 supervising council member recuses himself from the investigation of a complaint
8 or from participating in the adjudication of a violation, the chairman shall appoint
9 a council member to act as the supervising council member for the investigation of
10 the complaint or the adjudication of the violation.

11 * * *

12 §1730.22.2. Building Code Enforcement Officer Subcommittee; membership;
13 terms; vacancies; quorum; function

14 A. There is hereby established within the Louisiana State Uniform
15 Construction Code Council, the Building Code Enforcement Officer Subcommittee,
16 consisting of the following members:

17 (1) The chairman of the Louisiana State Uniform Construction Code
18 Council.

19 (2) Three building officials appointed by the chairman of the council from
20 a list of names submitted by the Building Officials Association of Louisiana.

21 (3) One member appointed by the chairman of the council from a list of
22 names submitted by the Louisiana Municipal Association and the Louisiana Police
23 Jury Association.

24 B.(1) The members appointed pursuant to Paragraphs (A)(2) and (A)(3) of
25 this Section shall serve two-year terms.

26 (2) The members of the subcommittee shall elect a chairman to serve a term
27 of one year and who may be reelected for subsequent terms.

1 (3) A brief summary of the facts constituting the alleged violation including
2 the time and place of the alleged violation.

3 C.(1) No later than five business days after the receipt of a complaint, the
4 council shall provide a copy of the complaint to the Building Code Enforcement
5 Officer Subcommittee and shall provide notice to the building code enforcement
6 officer or certified third-party provider that a complaint has been filed with the
7 council and a preliminary investigation will be conducted to determine whether there
8 is probable cause to justify further investigation. The notice shall include a summary
9 of the nature of the allegations contained in the complaint and the identity of the
10 complainant.

11 (2) The supervising council member, as appointed pursuant to R.S.
12 40:1730.22, with the assistance of council staff, shall conduct a preliminary
13 investigation of a complaint no later than forty-five days after receipt of the
14 complaint.

15 (3) At the conclusion of the preliminary investigation, the supervising
16 council member, with the assistance of council staff, shall determine whether there
17 is probable cause to justify further investigation. If the supervising council member
18 finds that a complaint alleges misconduct which is not regulated under the
19 jurisdiction of the council or there is a lack of probable cause to justify further
20 investigation, the supervising council member shall dismiss the complaint and
21 immediately provide notice to the Building Code Enforcement Officer
22 Subcommittee. The Building Code Enforcement Officer Subcommittee shall notify
23 both the complainant and building code enforcement officer or certified third-party
24 provider of the dismissal and the reasons therefor within five business days of the
25 dismissal. However, the information contained in the complaint may be referred to
26 another government agency for investigation if the supervising council member
27 believes that another state or federal agency may have jurisdiction over the alleged
28 conduct in the complaint.

1 (4) If the supervising council member determines the complaint on its face
2 demonstrates an allegation of misconduct, the supervising council member shall
3 initiate a formal investigation and immediately provide notice to the Building Code
4 Enforcement Officer Subcommittee. The Building Code Enforcement Officer
5 Subcommittee shall notify the complainant and the building code enforcement
6 officer or certified third-party provider no later than five business days after the date
7 the formal investigation is initiated that the preliminary investigation has resulted in
8 the initiation of a formal investigation.

9 §1730.34.2. Complaint resolution; informal settlement conference; formal
10 adjudication

11 A. After sufficient information and evidence has been gathered by the
12 supervising council member through the formal investigation process, a
13 determination by the supervising council member shall be made as to whether the
14 information and evidence gathered indicates that a violation of the provisions of this
15 Part, and any rules promulgated thereunder, or the state uniform construction code
16 has occurred.

17 B. If the information and evidence gathered indicate that a violation of this
18 Part or the state uniform construction code has occurred, the supervising council
19 member shall do either of the following:

20 (1) Refer the complaint for an informal settlement conference between
21 representatives of the Building Code Enforcement Officer Subcommittee and the
22 building code enforcement officer or certified third-party provider against whom the
23 complaint is filed. This meeting shall be scheduled no later than one hundred eighty
24 days after the complaint has been filed, unless good cause is shown for scheduling
25 the meeting after that date.

26 (2) File a formal written administrative complaint with the Building Code
27 Enforcement Officer Subcommittee to initiate a formal adjudication proceeding.

28 C.(1) If the information and evidence gathered is insufficient to support the
29 allegation that a violation of this Part or the state uniform construction code has

1 occurred, the supervising council member shall recommend to the Building Code
2 Enforcement Officer Subcommittee that the investigation be closed and the
3 complaint be dismissed.

4 (2) If a complaint is dismissed by the Building Code Enforcement Officer
5 Subcommittee, the subcommittee shall notify the complainant and building code
6 enforcement officer or certified third-party provider of the dismissal and the reasons
7 therefor no later than five business days after the dismissal.

8 D.(1) Every formal investigation shall be completed no later than one
9 hundred eighty days after the supervising council member assigned the complaint
10 makes the determination to initiate a formal investigation, unless the Building Code
11 Enforcement Officer Subcommittee approves an extension of time based upon a
12 finding of good cause as to why the investigation could not be completed within that
13 time. Good cause shall include but not be limited to any of the following:

14 (a) The unavailability of pertinent documents that the supervising council
15 member has made all reasonable efforts to obtain.

16 (b) The necessity of additional investigation as determined by the
17 supervising council member or the Building Code Enforcement Officer
18 Subcommittee.

19 (c) Additional complaints pending investigation regarding the building code
20 enforcement officer or certified third-party provider.

21 (d) Other events beyond the control of the supervising council member or
22 the Building Code Enforcement Officer Subcommittee.

23 (2) The Building Code Enforcement Officer Subcommittee shall not dismiss
24 a complaint solely on the grounds that an investigation has not been completed or the
25 case has not been scheduled for hearing within one hundred eighty days.

26 (3) If an investigation has not been completed or the case has not been
27 scheduled for hearing within one hundred eighty days, the Building Code
28 Enforcement Officer Subcommittee shall notify the parties to the complaint as to
29 why these deadlines were not met. This notice is not required if the Building Code

1 Enforcement Officer Subcommittee makes an official finding that notice would
2 substantially jeopardize an investigation.

3 E. The Building Code Enforcement Officer Subcommittee shall promulgate
4 rules to provide for the investigation of complaints and adjudication of violations
5 pursuant to the provisions of R.S. 40:1730.34.1 and this Section. The rules shall
6 satisfy the minimum due process requirements of the constitution of this state and
7 the Constitution of the United States and shall include but not be limited to all of the
8 following:

9 (1) Notice of the hearing.

10 (2) Pleadings and other motions.

11 (3) Discovery.

12 (4) Subpoenas and subpoenas duces tecum.

13 (5) Representation by counsel of choice.

14 (6) Prehearing conferences.

15 (7) Procedure for conducting the hearing including examination of witnesses
16 and the placement of evidence into the record.

17 F.(1) The Building Code Enforcement Officer Subcommittee may issue
18 subpoenas or subpoenas duces tecum requiring the attendance and testimony under
19 oath of witnesses and the production of any evidence or documentation that relates
20 to any matter properly under investigation or in question before the Building Code
21 Enforcement Officer Subcommittee. A subpoena issued pursuant to this Subsection
22 may be served in any manner authorized by the Administrative Procedure Act or the
23 Code of Civil Procedure, including but not limited to by certified mail or by private
24 process server.

25 (2) The Building Code Enforcement Officer Subcommittee may obtain
26 sworn testimony taken before a certified court reporter from any individual who may
27 possess any information concerning the matter under investigation.

28 G.(1) The Building Code Enforcement Officer Subcommittee may impose
29 the following penalties:

1 (a) For a first offense, continuing education as required by the subcommittee.

2 (b) For a second offense, suspension of the registration of the building code
3 enforcement officer or certified third-party provider not to exceed one year.

4 (c) For a third or subsequent offense, suspension of the registration of the
5 building code enforcement officer or certified third-party provider for not less than
6 one year or permanent revocation of the registration.

7 (2) The Building Code Enforcement Officer Subcommittee shall provide
8 notice of any penalty imposed pursuant to this Subsection to the council and to the
9 building code enforcement officer or certified third-party provider no later than five
10 business days after the subcommittee makes the decision to impose the penalty. The
11 council shall also provide notice to the building code enforcement officer or certified
12 third-party provider of the right to appeal the decision pursuant to the Administrative
13 Procedure Act.

14 H.(1) The jurisdiction of the Building Code Enforcement Officer
15 Subcommittee pursuant to this Section shall be limited to the actions authorized in
16 Subsection G of this Section.

17 (2) Any disciplinary action taken by a local jurisdiction as a result of a
18 decision made by the Building Code Enforcement Officer Subcommittee pursuant
19 to this Section shall be made in accordance with the rules and regulations of the civil
20 service system applicable to the local jurisdiction.

HB 353 Engrossed

2015 Regular Session

Ponti

Abstract: Provides for the review of actions taken by building code enforcement officers or certified third-party providers in the enforcement of the state uniform construction code.

Present law adopts the state uniform construction code, establishes the La. State Uniform Construction Code Council (council), and provides for the membership and duties of the council.

Proposed law retains present law and adds a requirement for the chairman of the council to designate a member of the council who is a La.-licensed professional engineer or architect or an active or retired certified building official to act as the supervising council member for the investigation of complaints and adjudication of violations of the provisions of proposed law. Further provides that the member shall serve as supervising council member for a period of one year and may recuse himself in the event of a real or perceived conflict of interest.

Proposed law establishes, within the La. State Uniform Construction Code Council, the Building Code Enforcement Officer Subcommittee (subcommittee), consisting of the following members:

- (1) The chairman of the La. State Uniform Construction Code Council (council).
- (2) Three building officials appointed by the chairman of the council from a list of names submitted by the Building Officials Association of La.
- (3) One member appointed by the chairman of the council from a list of names submitted by the La. Municipal Association and the La. Police Jury Association.

Proposed law provides for the terms of membership, the election of a chairman of the subcommittee, the filling of vacancies, the recusal of members, and the removal of members. Further establishes a quorum and prohibits compensation.

Proposed law provides that the primary function of the subcommittee is to conduct the resolution of complaints against building code enforcement officers and certified third-party providers including informal settlement conferences and formal adjudication of alleged violations.

Proposed law authorizes any person who believes there is a violation by any building code enforcement officer or certified third-party provider of any provision of the state uniform construction code to file a complaint with the council. Further requires the initial complaint to be made in the form of a sworn affidavit and prohibits the council from accepting an anonymous complaint.

Proposed law requires the supervising council member to conduct a preliminary investigation of a complaint no later than 45 days after receipt of the complaint to determine whether there is probable cause to justify further investigation. Further requires, if the supervising council member finds that a complaint alleges misconduct which is not regulated under the jurisdiction of the council or there is a lack of probable cause to justify further investigation, the complaint to be immediately dismissed by the supervising council member and both the complainant and building code enforcement officer or certified third-party provider to be notified of the dismissal and the reasons therefor no later than five business days after the dismissal.

Proposed law requires the supervising council member, if he determines the complaint on its face demonstrates an allegation of misconduct, to initiate a formal investigation and immediately inform the subcommittee. Further requires the subcommittee to notify the complainant and the building code enforcement officer or certified third-party provider no later than five business days after the date the formal investigation is initiated that the preliminary investigation has resulted in the initiation of a formal investigation.

Proposed law requires the supervising council member, after sufficient information and evidence has been gathered through the formal investigation process, to make a determination as to whether the information and evidence gathered indicates that a violation of the state uniform construction code has occurred. Further requires, if the information and evidence gathered indicate that a violation has occurred, the supervising council member to do either of the following:

- (1) Refer the complaint for an informal settlement conference between representatives of the subcommittee and the building code enforcement officer or certified third-party provider against whom the complaint is filed to be held no later than 180 days after the complaint has been filed, unless good cause is shown for scheduling the meeting after that date.
- (2) File a formal written administrative complaint with the subcommittee to initiate a formal adjudication proceeding.

Proposed law requires, if the information and evidence gathered is insufficient to support the allegation that a violation has occurred, the supervising council member to recommend to the subcommittee that the investigation be closed and the complaint be dismissed.

Proposed law requires every formal investigation to be completed no later than 180 days after the supervising council member assigned the complaint makes the determination to initiate a formal investigation, unless the subcommittee approves an extension of time based upon a finding of good cause as to why the investigation could not be completed within that time.

Proposed law provides for the formal adjudication of alleged violations including authorization for the subcommittee to issue subpoenas or subpoenas duces tecum requiring the attendance and testimony under oath of witnesses and the production of any evidence or documentation that relates to any matter properly under investigation or in question before the subcommittee.

Proposed law authorizes the subcommittee to impose the following penalties:

- (1) For a first offense, continuing education as required by the subcommittee.
- (2) For a second offense, suspension of the registration of the building code enforcement officer or certified third-party provider not to exceed one year.
- (3) For a third or subsequent offense, suspension of the registration of the building code enforcement officer or certified third-party provider for not less than one year or permanent revocation of the registration.

Proposed law requires the subcommittee to provide notice of any penalty imposed and the right to appeal the decision to the building code enforcement officer or certified third-party provider no later than five business days after the subcommittee makes the decision to impose the penalty.

Proposed law requires any disciplinary action taken by a local jurisdiction as a result of a decision made by the subcommittee to be made in accordance with the rules and regulations of the civil service system applicable to the local jurisdiction.

(Adds R.S. 40:1730.22(F), 1730.22.2, 1730.34.1, and 1730.34.2)

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Commerce to the original bill:

1. Remove the requirement and procedures for a board of appeals process for local jurisdictions.
