16 §841.2. Louisiana Healthier Families Fund

17 A. There is hereby created as a special fund within the state treasury the
18 "Louisiana Healthier Families Fund", hereinafter referred to as the "fund". After
19 satisfying the requirements of Article VII, Section 9(B) of the Constitution of
20 Louisiana relative to the Bond Security and Redemption Fund and after a sufficient
21 amount is allocated from that fund to pay all of the obligations secured by the full
22 faith and credit of the state which becomes due and payable within any fiscal year,
23 the state treasurer shall annually deposit into the fund an amount equal to the avails
24 of the tax imposed under the provisions of R.S. 47:841(B)(6), an amount equal to
25 sixty percent of the tax imposed under the provisions of R.S. 47:841(A)(1), an
26 amount equal to forty-eight percent of the tax imposed under the provisions of R.S.
27 47:841(A)(2) and (E), and an amount equal to thirty-five percent of the tax imposed
28 under the provisions of R.S. 47:841(C).

1 B. All unexpended and unencumbered monies in the fund at the end of the
2 fiscal year shall remain in the fund. The monies in the fund shall be invested by the
3 state treasurer in the same manner as monies in the state general fund, and all
4 earnings on investment of the fund shall be deposited into the fund.

5 C. Monies appropriated from the fund shall be used solely as provided in this
6 Subsection. Monies in the fund shall be subject to appropriation for the following
7 purposes and in the following amounts:

8 (1) Fifty-two percent of the monies in the fund shall be deposited into the
9 Louisiana Medical Assistance Trust Fund to be used solely for the Louisiana
10 Medicaid Program.

11 (2) Ten percent of the monies in the fund shall be used solely to provide
12 payments against the unfunded accrued liability of the Louisiana State Employees'
13 Retirement System and the Teachers' Retirement System of Louisiana in proportion
14 to the balance of such unfunded accrued liability of each such system, these funds
15 shall be in addition to any payments required for the annual amortization of the
16 unfunded accrued liability of the public retirement systems.

17 (3) Five percent of the monies in the fund shall be used solely to provide
18 funding for the office of state police, Department of Public Safety and Corrections.

19 (4) Five percent of the monies in the fund shall be used solely to provide
20 funding for the office of addictive disorders, Department of Health and Hospitals, for
21 expenditure only on activities related to smoking cessation and prevention.

22 (5) Five percent of the monies in the fund shall be used solely to provide
23 funding for the office of mental health, Department of Health and Hospitals, for
24 expenditure only on activities related to smoking cessation and prevention.

25 (6) Five percent of the monies in the fund shall be used solely by the
26 Louisiana State University Board of Supervisors to provide funding for the Louisiana
27 State University Health Sciences Center in Shreveport, for expenditure only on
28 activities related to cancer research or smoking cessation and prevention.

1 (7) Five percent of the monies in the fund shall be used solely by the
2 Louisiana State University Board of Supervisors to provide funding for the
3 Pennington Biomedical Research Center, for expenditure only on cancer research
4 activities.

5 (8) Three percent of the monies in the fund shall be used solely by the
6 Louisiana State University Board of Supervisors to provide funding for the Greater
7 New Orleans Biosciences Economic Development District, for expenditure only on
8 activities related to cancer research or smoking cessation and prevention.

9 (9) Three percent of the monies in the fund shall be used solely by the
10 Louisiana State University Board of Supervisors to provide funding for the Louisiana
11 Cancer Research Consortium.

12 (10) Three percent of the monies in the fund shall be used solely by the
13 Louisiana State University Board of Supervisors to provide funding for the Louisiana
14 State University Health Sciences Center in New Orleans, for expenditure only on
15 activities related to cancer research or smoking cessation and prevention.

16 (11) Two percent of the monies in the fund shall be used solely to provide
17 funding for the office of public health, Department of Health and Hospitals, for
18 school-based health centers, for expenditure only on activities related to smoking
19 cessation and prevention.

20 (12) Two percent of the monies in the fund shall be used solely by the
21 Southern University Board of Supervisors to provide funding to Southern University
22 for smoking cessation and tobacco prevention programs.

23 D. All entities or agencies receiving appropriations from the fund as
24 provided for in this Section shall report to the legislature, no less than thirty days
25 prior to the commencement of each regular session, describing the expenditure of
26 such monies.

27 E. No amount appropriated as required in this Section shall displace, replace,
28 or supplant appropriations from the state general fund for the Department of Health
29 and Hospitals, the Louisiana State University Board of Supervisors, or the Southern

1 University Board of Supervisors. This shall mean that no appropriation for any fiscal
 2 year from the Louisiana Healthier Families Fund shall be made for any purpose for
 3 which a general fund appropriation was made in the previous year unless the total
 4 appropriations for the fiscal year from the state general fund for such purpose exceed
 5 general fund appropriations for the previous year.

6 Section 2. The increase in the cigarette and tobacco taxes levied by the provisions
 7 of this Act shall be effective for the period beginning on January 1, 2014.

HB No. 417

Abstract: Increases the tax on cigars, cigarettes, smoking tobacco, and smokeless tobacco and dedicates the revenue from the tax increase.

Present law provides for the levy of a tax upon the sale, use, consumption, handling, or distribution of all cigars, cigarettes, and smoking and smokeless tobacco in La.

Present law provides that the rate of the tax for cigars invoiced by the manufacturer at \$120 per thousand or less shall be 8% of the invoice price and the rate of the tax for cigars invoiced by the manufacturer at more than \$120 per 1,000 shall be 20% of the invoice price.

Proposed law increases the tax on cigars invoiced by the manufacturer at \$120 per 1,000 or less from 8% of the invoice price to 68% of the invoice price and increases the tax for cigars invoiced by the manufacturer at more than \$120 per 1,000 from 20% of the invoice price to 68% of the invoice price.

Present law levies a tax on cigarettes at the rate of 36¢ per pack.

Proposed law increases the tax on cigarettes from 36¢ per pack to \$1.41 per pack.

Present law provides that the rate of the tax for smoking tobacco shall be 33% of the invoice price.

Proposed law increases the tax on smoking tobacco from 33% of the invoice price to 68% of the invoice price.

Present law provides that the rate of the tax on smokeless tobacco shall be 20% of the invoice price.

Proposed law increases the tax on smokeless tobacco from 20% of the invoice price to 68% of the invoice price.

Present law provides for the establishment of the Tobacco Regulation Enforcement Fund to support enforcement activities of the office of alcohol and tobacco control. Requires the state treasurer to annually deposit an amount equal to the avails of one-quarter of one-

twentieth of one cent per cigarette from the tax on cigarettes into the fund for purposes of tobacco regulation enforcement.

Proposed law retains present law.

Proposed law creates a special fund within the state treasury to be called the "Louisiana Healthier Families Fund" in which the state treasurer shall annually deposit an amount equal to the avails of the additional tax on cigarettes, an amount equal to 60% of the tax imposed on cigars invoiced by the manufacturer at \$120 per 1,000 or less, an amount equal to 48% of the tax imposed on cigars invoiced by the manufacturer at more than \$120 per 1,000 and smokeless tobacco, and an amount equal to 35% of the tax imposed on smoking tobacco.

Proposed law requires the monies appropriated from the fund to be used solely for the following purposes in the following amounts:

- (1) 52% to be deposited into the La. Medical Assistance Trust Fund to provide funding for the La. Medicaid Program.
- (2) 10% to provide payments against the unfunded accrued liability of the Louisiana State Employees' Retirement System and the Teachers' Retirement System of Louisiana, which shall be in addition to any payments required for the annual amortization of the unfunded accrued liability of the public retirement systems.
- (3) 5% to provide funding for the office of state police, Department of Public Safety and Corrections.
- (4) 5% to provide funding for the office of addictive disorders within DHH for expenditure on activities related to smoking cessation and prevention.
- (5) 5% to provide funding for the office of mental health within DHH for expenditure on activities related to smoking cessation and prevention.
- (6) 5% to provide funding to the LSU Board of Supervisors for the LSU Health Sciences Center in Shreveport, for expenditure on activities related to cancer research or smoking cessation and prevention.
- (7) 5% to provide funding to the LSU Board of Supervisors for the Pennington Biomedical Research Center, for expenditure on cancer research activities.
- (8) 3% to provide funding to the LSU Board of Supervisors for the Greater New Orleans Biosciences Economic Development District, for expenditure on activities related to cancer research or smoking cessation and prevention.
- (9) 3% to provide funding to the LSU Board of Supervisors for the Louisiana Cancer Research Consortium.
- (10) 3% to provide funding to the LSU Board of Supervisors for the University Health Sciences Center in New Orleans, for expenditure only on activities related to cancer research or smoking cessation and prevention.
- (11) 2% to provide funding for the office of public health within DHH for school-based health centers, for expenditure on activities related to smoking cessation and prevention.
- (12) 2% to provide funding to the Southern University Board of Supervisors for Southern University for smoking cessation and tobacco prevention programs.

Proposed law prohibits any amounts appropriated as required by proposed law from displacing, replacing, or supplanting appropriations from the state general fund for DHH, the LSU Board of Supervisors, or the Southern University Board of Supervisors. Further provides that no appropriation for any fiscal year from the La. Healthier Families Fund shall be made for any purpose for which a general fund appropriation was made in the previous year unless the total appropriations for the fiscal year from the state general fund for such purpose exceed general fund appropriations for the previous year.

Proposed law requires all entities or agencies receiving appropriations from the fund to report to the legislature, no less than 30 days prior to the commencement of each regular session, describing the expenditure of such monies.

Effective Jan. 1, 2014.
