9 C. Interest. (1) For the duration of service covered by the cash balance plan,
10 interest shall be payable on the member's account each plan year at a rate equal to
11 the system's actuarial rate of return as certified by the system actuary in the system's
12 actuarial valuation, less one percent. Interest shall be credited after the Public
13 Retirement Systems' Actuarial Committee adopts the system's valuation containing
14 the actuarial rate of return on investments, and shall be based on the balance of the
15 account at the end of each month for the prior plan year.

16 (2) No interest shall be credited after the member separates from service
17 covered by the cash balance plan of his retirement system, except that interest shall
18 be credited for those months during the plan year prior to his separation from service.

19 (3) In no case shall the balance in the employee's account be debited for
20 investment losses.

21 D. Withdrawal from the cash balance plan. A cash balance plan member
22 who separates from employment covered by his retirement system may withdraw
23 from the cash balance plan.

24 (1) Upon application for withdrawal, an employee who has been a cash
25 balance plan member for less than five years shall receive a refund of employee
26 contributions without interest. The system shall retain all interest and any employer
27 contributions.

28 (2) Upon application for withdrawal, an employee who has been a cash
29 balance plan member for five years or longer may receive a lump-sum payment of
30 his account balance or the distribution of his total account balance in the form of a

1 trustee-to-trustee, single-sum transfer between qualified plans or as a payment made
2 directly to a conduit individual retirement account. The employee may opt to leave
3 his account balance with the system and draw an annuity pursuant to R.S. 11:1399.4
4 when he attains age sixty.

5 (3)(a) A cash balance plan member shall be eligible to utilize the years of his
6 membership in the cash balance plan for purposes of reciprocal recognition of
7 credited service pursuant to R.S. 11:142.

8 (b) A cash balance plan member who elects to withdraw from the cash
9 balance plan after becoming a member of a cash balance plan in another Louisiana
10 public retirement system may execute the withdrawal provided for in this Subsection
11 to transfer the amount the member is entitled to receive pursuant to Paragraphs (1)
12 or (2) of this Subsection to a cash balance plan in another retirement system.

13 (4) If a cash balance plan member dies without withdrawing from the cash
14 balance plan pursuant to this Subsection or annuitizing his benefit pursuant to R.S.
15 11:1399.4, the following shall apply:

16 (a) The applicable Tier 1 plan shall be the plan in which the member would
17 have been enrolled in the absence of the cash balance plan. For purposes of this
18 Paragraph, the member's service credit, accrual rate, eligibility, and benefit
19 calculation shall be determined as if the member's cash balance service had been
20 earned as a member of the applicable Tier 1 plan.

21 (b) If the cash balance plan member is survived by a spouse only and the
22 cash balance plan member met the eligibility requirements for survivors' benefits in
23 the applicable Tier 1 plan, the spouse may choose one of the following options:

24 (i) To receive the account balance in the cash balance plan as a lump-sum
25 payment; a trustee-to-trustee, single-sum transfer between qualified plans; or a
26 payment made directly to a conduit individual retirement account.

27 (ii) To receive the applicable Tier 1 survivors' benefit.

28 (c) If the cash balance plan member is survived by a minor or by a
29 handicapped or mentally disabled child of any age and the cash balance plan member
30 met the eligibility requirements for survivors' benefits in the applicable Tier 1 plan,

1 all survivors otherwise qualifying under the Tier 1 plan shall receive the Tier 1
 2 survivors' benefits but shall not receive the cash balance account balance.

3 (d) If the cash balance plan member has not met the eligibility requirements
 4 for survivors' benefits in the applicable Tier 1 plan, the system shall give his
 5 designated beneficiary or his estate the option to receive his account balance as a
 6 lump-sum payment; a trustee-to-trustee, single-sum transfer between qualified plans;
 7 or a payment made directly to a conduit individual retirement account.

8 (e) Subject to the provisions of R.S. 11:1399.7, if a survivor is eligible to and
 9 elects to receive a Tier 1 survivors' benefit, the account balance in the cash balance
 10 plan shall be retained by the retirement system.

11 (5) If a cash balance plan member becomes disabled before withdrawing
 12 from the cash balance plan pursuant to this Subsection or annuitizing his benefit
 13 pursuant to R.S. 11:1399.4, the following shall apply:

14 (a) The applicable Tier 1 plan is the plan in which the member would have
 15 been enrolled in the absence of the cash balance plan. For purposes of this
 16 Paragraph, the member's service credit, accrual rate, eligibility, and benefit
 17 calculation shall be determined as if the member's cash balance service had been
 18 earned as a member of the applicable Tier 1 plan.

19 (b) The member may choose one of the following options:

20 (i) To receive his cash balance account balance as a lump-sum payment; a
 21 trustee-to-trustee, single-sum transfer between qualified plans; or a payment made
 22 directly to a conduit individual retirement account.

23 (ii) To receive the applicable Tier 1 disability benefit if the member
 24 otherwise meets the eligibility requirements for disability benefits in Tier 1.

25 (c) Subject to the provisions of R.S. 11:1399.7, if a cash balance plan member
 26 is eligible to and elects to receive a Tier 1 disability benefit, the account balance in
 27 the cash balance plan shall be retained by the retirement system.

28 §1399.4. Retirement eligibility; benefit calculation

29 A. Eligibility for retirement. A cash balance plan member with five years
 30 of membership in the cash balance plan is eligible to draw an annuity beginning at

1 age sixty. The annuity payment amount shall be calculated as provided in
2 Subsection B of this Section.

3 B. Annuitization of retirement benefit. (1)(a) Upon application, any
4 member meeting the qualifications in Subsection A of this Section may elect to
5 receive an annuity in a retirement allowance payable throughout his life, or he may
6 elect at that time to receive the actuarial equivalent of his retirement allowance in a
7 reduced retirement allowance payable throughout life, pursuant to any retirement
8 option provided for Tier 1 members of his system. The system shall annuitize and
9 pay any such allowance chosen by the member.

10 (b) The system shall annuitize the retirement benefit using an annuity rate
11 based upon the actuarial assumptions in use by the system as of the date of
12 retirement. The system actuary may modify the assumptions to reflect any changes
13 quantified in an experience study and incorporated into a valuation adopted by the
14 Public Retirement Systems' Actuarial Committee, demonstrating a statistically
15 significant difference between the mortality experience of cash balance participants
16 in the system electing to receive benefits in an annuity form and that of system
17 annuitants generally.

18 (2) No member of the cash balance plan shall be eligible to participate in any
19 deferred retirement option plan or program or any similar retirement option that
20 requires continued employment for participation, nor shall such a member be eligible
21 to participate in any back-deferred retirement option plan or program. However, a
22 cash balance plan member may participate in any initial benefit option, initial lump-
23 sum benefit option, or any similar retirement option designed to provide a reduced
24 annuity in exchange for a lump-sum payment which is selected upon separation from
25 service.

26 §1399.5. Reemployment

27 If, after withdrawing from the cash balance plan upon separation from service
28 or after annuitizing his benefit, a cash balance plan member becomes reemployed in
29 a position covered by the cash balance plan, the person's accumulation in the cash
30 balance plan pursuant to R.S. 11:1399.3 shall begin again. However, the

1 reemployment shall not affect the receipt of the lump sum or annuitized payments
2 from the first cash balance account.

3 §1399.6. Application

4 The provisions of the applicable Tier 1 system or plan shall apply to the cash
5 balance plan for any matter on which this Chapter is silent. In case of any conflict
6 between the provisions of Tier 1 and the cash balance plan, the cash balance plan
7 shall prevail.

8 § 1399.7. Guaranteed return of employee contributions

9 In no case shall a retirement system pay total benefits of an amount less than
10 the total of the employee's accumulated contributions. Where the total benefits
11 received prior to an employee's death is less than the employee's total contributions,
12 the difference shall be paid to the estate of the decedent.

13 Section 2. The Public Retirement Systems' Actuarial Committee may adopt an
14 actuarial valuation after implementation of the Act originating as House Bill No. 61 of the
15 2012 Regular Legislative Session, to be utilized by a system to which the provisions of this
16 Act apply in the fiscal year which begins July 1, 2013, calculated in accordance with R.S.
17 11:102, which has been prepared on behalf of the division of administration by a member
18 of the American Academy of Actuaries who meets the qualification requirements of the
19 academy to issue a particular statement of actuarial opinion.

20 Section 3. Because the legislature finds and declares that questions of law may be
21 raised concerning provisions of this Act, the public welfare requires that such questions of
22 law be expeditiously resolved prior to such time as its provisions take effect to avoid
23 disruption of the orderly implementation of its provisions. Therefore, the legislature finds
24 that an expedited hearing schedule for actions filed relative to this Act should be
25 immediately made available in order to avoid confusion by the public. Venue for any action
26 shall be in the Nineteenth Judicial District Court for the Parish of East Baton Rouge. In the
27 interest of further expediting this procedure, courts are urged to minimize all unnecessary
28 delays and to resolve any questions of law no later than thirty days prior to the prefiling
29 deadline for retirement legislation for the 2013 regular legislative session. The courts may
30 suspend all applicable rules of court for this limited purpose.

1 Section 4. The division of administration shall study the feasibility of enrolling cash
2 balance plan members in Social Security and shall report its findings to the Public
3 Retirement Systems Actuarial Committee at the committee's first meeting in 2013.

4 Section 5. This Act shall become effective on June 30, 2012; if vetoed by the
5 governor and subsequently approved by the legislature, this Act shall become effective on
6 June 30, 2012, or on the day following such approval by the legislature, whichever is later.

7 Section 6. The division of administration shall conduct a cost benefit analysis of
8 providing an increased pay scale for employees hired on or after July 1, 2013, to provide
9 employees with the opportunity to develop a retirement plan or other investment
10 opportunities in addition to the plan established by this Act.
