HB 64 Original

2015 Regular Session

Tim Burns

Abstract: Provides relative to recognition and compensation of firefighters at St. Tammany Fire Protection District No. 4.

Present law provides with respect to compensation for fire department personnel. Present law requires that equal recognition and compensation be received for equal performance of duty and responsibility by firefighters.

Proposed law, applicable to St. Tammany Fire Protection District No. 4, authorizes rather than requires such recognition and compensation.
