17 Section 13. The state treasurer shall distribute one-third of the total amount herein
 18 allocated to the parishes from the revenue sharing fund to the parish tax collector, or in
 19 Orleans Parish to the city of New Orleans, not later than the first day of December in each
 20 year, one-third thereof not later than the fifteenth day of March in each year and one-third
 21 thereof not later than the fifteenth day of May in each year, and each one-third of the total
 22 allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10
 23 of this Act; however, the legislative auditor may authorize the granting of additional sums
 24 due any recipient in advance upon a showing that the advance receipt of such funds is
 25 reasonably necessary. If the state treasurer does not distribute said fund on or before the
 26 dates specified in this Act, any interest or other income derived by the state from the parish
 27 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis
 28 together with the principal amounts due the parishes under the provisions of this Act. Any
 29 interest or other income derived by the parish tax collector or the city of New Orleans from
 30 the investment or other use of such total parish allocations received from the state treasurer,

1 earned prior to the distributions within the parish as required by the foregoing provisions of
2 this Act, shall be paid over a pro rata basis together with the principal amounts due the local
3 recipients under the provisions of this Act upon distribution thereto, and the parish tax
4 collectors or the city of New Orleans may retain only investment income earned on that
5 portion of the total parish allocation to which they are otherwise entitled under the provisions
6 of this Act. In light of the fact that all assessment roll figures will not be available in time
7 to base the December distribution by the treasurer on current figures, the distribution of
8 funds on the first day of December pursuant to this Act shall be based on the distribution
9 figures for Fiscal Year 2011-2012. The remaining two distributions on the fifteenth day of
10 March and the fifteenth day of May shall be based on current figures for Fiscal Year 2012-
11 2013, and such distributions shall be adjusted to compensate for the differences resulting in
12 the use of the Fiscal Year 2011-2012 figures for the December distribution.

13 Section 14. On or before such date as shall be established by the state treasurer, each
14 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually
15 shall file with the state treasurer, on such forms as the state treasurer may require, all
16 information necessary to the computation of the funds to be distributed within the parishes,
17 including, but not limited to, a listing of all such local entities seeking eligibility for funds
18 as a tax recipient body under the qualifications set out in Section 1(a), all new millages of
19 such tax recipient bodies as are listed in Section 9(B), and all remaining authorities on the
20 tax rolls which are otherwise ineligible to participate in the distribution of revenue sharing
21 funds as tax recipient bodies. The listing shall include such verification for eligibility as
22 may be required by the state treasurer and, notwithstanding the provisions of Section 12
23 hereof, no revenue sharing funds shall be distributed prior to receipt and acceptance by the
24 state treasurer of such information and verification. The same authorities shall in the same
25 manner submit to the state treasurer a statement of the amount of revenue sharing funds
26 distributed to each recipient of such funds, including the amount deducted for sheriffs'
27 commissions and for retirement system contributions and shall state clearly on such forms
28 the amount of the distribution to each such recipient which is derived from excess funds and
29 the amount of such distribution which represents reimbursement for tax losses by reasons
30 of the homestead exemption. Such statement shall also include the amount of any revenue

1 sharing funds which remain to be distributed and the recipients to which such remaining
2 funds will be distributed.
