11 §196.1. Bonds

12 A. Notwithstanding any provision of law to the contrary, and as a grant of
 13 power in addition to any other general or special law, the State Bond Commission,
 14 hereinafter referred to as the "commission", on behalf of the Department of
 15 Transportation and Development, hereinafter referred to as the "department", may
 16 issue bonds, notes, certificates, or other evidences of indebtedness, hereinafter
 17 collectively referred to as the "bonds", for the purpose of funding projects for any
 18 road which is part of the state highway system but not part of the federal system and,
 19 thus, is ineligible for federal highway funding assistance which are included in the
 20 priority listing for the fiscal year pursuant to the highway priority program provided
 21 for in R.S. 48:228 through 233, and may pledge registration and license fees and
 22 taxes on trucks and trailers collected by the state pursuant to R.S. 47:462 for the
 23 payment of the principal and interest of such bonds. The commission is further
 24 authorized, in its discretion, to pledge all or any part of any gift, grant, donation, or
 25 other sum of money, aid, or assistance from the United States, the state, or any
 26 political subdivision thereof, unless otherwise restricted by the terms thereof, all or
 27 any part of the proceeds of bonds, credit agreements, instruments, or any other
 28 money of the commission, from whatever source derived, for the further securing of
 29 the payment of the principal and interest of the bonds. Any bonds issued pursuant
 30 to the provisions hereof shall constitute revenue bonds under Article VII, Section 6

1 of the Constitution of Louisiana, and such bonds shall be payable solely from an
2 irrevocable pledge and dedication of the registration and license fees and taxes
3 collected by the state on trucks and trailers pursuant to R.S. 47:462, or other fees,
4 rates, rentals, charges, grants, or other receipts or income derived by or in connection
5 with an undertaking, facility, project, or any combination thereof, without a pledge
6 of the full faith and credit of the state, hereinafter referred to as "revenues".

7 B. In accordance with the provisions of Article VII, Section 9(A)(6) of the
8 Constitution of Louisiana, there is hereby established a special fund for the purpose
9 of providing for the securitization of any bonds which may be issued pursuant to the
10 provisions of this Section which shall include requirements for reserves and credit
11 enhancement devices, all as may be provided in any resolution, trust agreement,
12 indenture, or other instrument pursuant to which such bonds were issued. The fund
13 shall be administered by a trustee as designated by the State Bond Commission. The
14 source of monies for the fund shall be the registration and license fees and taxes on
15 trucks and trailers collected by the state pursuant to R.S. 47:462, and as provided in
16 R.S. 47:481. All revenues received from such registration license fees and taxes as
17 are necessary to provide for all requirements associated with the bonds as provided
18 in this Section shall be classified and set aside in a separately identifiable fund or
19 account outside of the state treasury but maintained by the state treasury and such
20 revenues shall be assigned and pledged to the trustee under the documents pursuant
21 to which the bonds were issued for the benefit of the holders of the bonds. Only after
22 satisfaction of all requirements of this Section shall any monies received by the state
23 from the registration and license fees and taxes on trucks and trailers pursuant to R.S.
24 47:462 and 481 be available for any other purposes, and specifically for the purposes
25 provided for in R.S. 48:196.

26 C. Bonds issued under the provisions of this Section shall not be deemed to
27 constitute a pledge of the full faith and credit of the state or of any governmental unit
28 thereof. All such bonds shall contain a statement on their face substantially to the
29 effect that neither the full faith and credit of the state nor the full faith and credit of
30 any public entity of the state are pledged to the payment of the principal of or the

1 interest on such bonds. The issuance of bonds under the provisions of this Section
2 shall not directly, indirectly, or contingently obligate the state or any governmental
3 unit of the state to levy any taxes whatsoever therefor or to make any appropriation
4 for their payment.

5 D. Bonds shall be authorized by a resolution of the commission and shall be
6 of such series, bear such date or dates, mature at such time or times, bear interest at
7 such rate or rates, including but not limited to fixed, variable, or zero rates, be
8 payable at such time or times, be in such denominations, be in such form, carry such
9 registration and exchangeability privilege, be payable in such medium of payment
10 and at such place or places, be subject to such terms of redemption prior to maturity
11 at such price or prices as determined by the commission, and be entitled to such
12 priority on the revenues as such resolution or resolutions may provide.

13 E. Bonds shall be sold by the commission at public sale by competitive bid
14 or negotiated private sale and at such price as the commission may determine to be
15 in the best interest of the commission and the state.

16 F. Except for the provisions of R.S. 39:1367, the issuance of the bonds shall
17 not be subject to any limitations, requirements, or conditions contained in any other
18 law, and bonds may be issued without obtaining the consent of any political
19 subdivision of the state or of any agency, commission, or instrumentality of the state.
20 The bonds shall be issued in compliance with the provisions of this Section.

21 G. For a period of thirty days after the date of publication of a notice of
22 intent to issue bonds in the official journal of the commission authorizing the
23 issuance of bonds hereunder, any person in interest shall have the right to contest the
24 legality of the resolution and the legality of the bond issue for any cause, but after
25 that time no one shall have any cause or right of action to contest the legality of the
26 resolution or of the bonds or the security therefor for any cause whatsoever. If no
27 suit, action, or proceeding is begun contesting the validity of the resolution, the
28 bonds or the security therefor within the thirty days herein prescribed, the authority
29 to issue the bonds and to provide for the payment thereof, the legality thereof, and
30 all of the provisions of the resolution authorizing the issuance of the bonds shall be

1 conclusively presumed to be legal and shall be incontestable. Any notice of intent
2 so published shall set forth in reasonable detail the purpose of the bonds, the security
3 therefor, and the parameters of amount, duration, and interest rates. Any suit to
4 determine the validity of bonds issued by the commission shall be brought only in
5 accordance with the provisions of R.S. 13:5121 et seq.

6 H. All bonds issued pursuant to this Section shall have all the qualities of
7 negotiable instruments under the commercial laws of the state.

8 I. Any pledge of the revenues or other monies made by the commission shall
9 be valid and binding from the time when the pledge is made. The revenues or
10 monies so pledged and thereafter received by the commission shall immediately be
11 subject to the lien of such pledge without any physical delivery thereof or further act,
12 and the lien of any such pledge shall be valid and binding as against all parties
13 having claims of any kind in tort, contract, or otherwise against the commission
14 irrespective of whether such parties have notice thereof. Any trust agreement or
15 other instrument by which a pledge is created need not be filed or recorded except
16 in the official records of the commission.

17 J. Neither the members of the commission nor any person executing the
18 bonds shall be personally liable for the bonds or be subject to any personal liability
19 or accountability by reason of the issuance thereof.

20 K. Bonds of the commission, their transfer, and the income thereof shall at
21 all times be exempt from all taxation by the state or any political subdivision thereof,
22 and may or may not be exempt for federal income tax purposes. The bonds issued
23 pursuant to this Section shall be and are hereby declared to be legal and authorized
24 investments for banks, savings banks, trust companies, building and loan
25 associations, insurance companies, fiduciaries, trustees, and guardians. Such bonds
26 shall be eligible to secure the deposit of any and all public funds of the state and any
27 and all public funds of municipalities, parishes, school districts, or other political
28 corporations or subdivisions of the state. Such bonds shall be lawful and sufficient
29 security for said deposits to the extent of their value. When any bonds shall have
30 been issued pursuant to Subsection A of this Section, neither the legislature, the state,

1 nor any other entity may act to impair any obligation or contract for the benefit of
2 the holders of the bonds or discontinue or decrease the fees, taxes, rates, or other
3 revenues pledged to the payment of the bonds authorized hereunder or permit to be
4 discontinued or decreased said revenues in anticipation of the collection of which
5 such bonds have been issued, or in any way make any change in the allocation and
6 dedication of any fee, rate, or other revenues which would diminish the amount of
7 the revenues to be received by the commission, until all such bonds shall have been
8 retired as to principal and interest, and there is hereby vested in the holders from
9 time to time of such bonds a contract right in the provisions of this Section.

10 L. The commission may provide by resolution for the issuance of refunding
11 bonds pursuant to R.S. 39:1444 et seq.

12 M. The holders of any bonds issued hereunder shall have such rights and
13 remedies as may be provided in the resolution or trust agreement authorizing the
14 issuance of the bonds, including but not by way of limitation, appointment of a
15 trustee for the bondholders, and any other available civil action to compel
16 compliance with the terms and provisions of the bonds and the resolution or trust
17 agreement.

18 N. Subject to the agreements with the holders of bonds, all proceeds of bonds
19 and all revenues pledged under a resolution or trust agreement authorizing or
20 securing such bonds shall be deposited and held in trust in a fund or funds separate
21 and apart from all other funds of the state treasury or of the department. Subject to
22 the resolution or trust agreement, the trustee shall hold the same for the benefit of the
23 holders of the bonds for the application and disposition thereof solely to the
24 respective uses and purposes provided in such resolution or trust agreement.

25 O. The commission is authorized to employ all professionals it deems
26 necessary in the issuance of the bonds.

27 P. The commission is authorized to enter into any and all agreements or
28 contracts, execute any and all instruments, and do and perform any and all acts
29 necessary, convenient, or desirable for the issuance of the bonds or to carry out any
30 power expressly given in this Section.

1 Q. Any other provision of law to the contrary notwithstanding, any revenues
 2 deposited in the bond fund that are pledged to the repayment of any bonds issued in
 3 accordance with this Section may be collected and disbursed in accordance with the
 4 documents pursuant to which such bonds were issued.

5 Section 2. If any provision of this Act or the application thereof is held invalid, such
 6 invalidity shall not affect other provisions or applications of this Act which can be given
 7 effect without the invalid provisions or applications, and to this end the provisions of this
 8 Act are hereby declared severable.

9 Section 3. The provisions of this Act shall supersede any laws or parts of law in
 10 conflict.

11 Section 4. This Act shall become effective July 1, 2012; if vetoed by the governor
 12 and subsequently approved by the legislature, this Act shall become effective on July 1,
 2012, or on the day following such approval by the legislature, whichever is later.
