HB No. 81

Abstract: Specifies that three members of the La. Motor Vehicle Commission shall each be engaged primarily in the business of marine product sales, motorcycle sales, and recreational vehicle sales.

Present law provides for 18 members of the La. Motor Vehicle Commission, 14 from commission districts providing for geographic representation throughout the state, subject to Senate confirmation. Requires, from these 14 members, one member to be primarily engaged in the business of lease or rental, one member primarily engaged in the business of sales finance, one member to be primarily engaged in the business of heavy truck sales, and three members to be primarily engaged in the business of recreational products.

Proposed law retains present law except changes three members from being primarily engaged in the business of recreational products to one member primarily engaged in the business of marine product sales, one member primarily engaged in the business of motorcycle sales, and one member primarily engaged in the business of recreational vehicle sales.
