HB No. 994

Abstract: Provides that the total amount of financing assistance provided by a business and industrial development company (BIDCO) outside of this state is not to exceed 50% of the total financing assistance provided by such licensee on a cumulative basis, unless the BIDCO, with affiliates, has provided \$100,000,000 of financing assistance in Louisiana and has held a license at least 10 years.

Present law provides for the creation of a system of licensing that will enable business and industrial development companies to satisfy eligibility requirements to voluntarily participate in the programs of the Small Business Administration, and other programs.

Proposed law retains present law.

Present law provides that a La. corporation or La. limited liability company may apply to the commissioner of the Office of Financial Institutions (OFI) for licensure as a business and industrial development company.

Proposed law retains present law.

Present law provides that the business of a licensee shall be the business of providing financing assistance and management to other business firms and shall not engage in another business.

Proposed law retains present law.

Present law provides that unless approved by the commissioner, the total amount of financing assistance provided by a licensee outside of this state shall not exceed 50% of the total financing assistance provided by such licensee on a cumulative basis.

Proposed law retains present law, but states that this provision of present law shall not apply to a licensee that has provided financing assistance in this state, together with any affiliate licensees, in excess of \$100,000,000 and has held a license for at least 10 years.
