4 including any recommendations for legislative changes, to the Legislature of  
5 Louisiana prior to the convening of the 2016 Regular Session.

6 WHEREAS, an effective juvenile justice system should incorporate mechanisms to

9 WHEREAS, restitution can be an important part of a restorative process of repairing  
10 harm and making victims whole; and

11 WHEREAS, parental engagement is critical in promoting strong outcomes for  
12 children in the juvenile justice system, including desistence from further delinquency; and

13 WHEREAS, recognizing the positive role that restitution can play in a high-

15 amending the Children's Code to provide for the possibility of parental restitution in certain  
16 delinquency cases; and

17 WHEREAS, the law governing the prosecution and imposition of consequences for  
18 delinquent acts is complex, and any changes to the law would benefit from careful and  
19 comprehensive study, taking into account the needs of victims, the rights of parents and  
20 children, and the important public interests that underlie the juvenile justice system,  
21 including protecting due process, preserving families, and promoting child well-being.

1           THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
2 authorize and direct the Children's Code Committee of the Louisiana State Law Institute to
