

1 for testing of the soil, ground water, and air at the facility permitted to open burn and open
2 detonate, during normal operations, to determine sufficient information to make informed
3 decisions on the use of the process in normal operations.

4 BE IT FURTHER RESOLVED the Department of Environmental Quality shall
5 complete the sampling plan, sampling, and analysis of the results within six months of the
6 adoption of this Resolution and report the results of that sampling to the House Committee
7 on Natural Resources and Environment and the Senate Committee on Environmental
8 Quality.

9 BE IT FURTHER RESOLVED that within thirty days of the adoption of this
10 Resolution, the Department of Environmental Quality shall collaborate with Clean Harbors
11 Colfax, LLC on the formation of a dialogue committee with regard to all site activities.

12 BE IT FURTHER RESOLVED that a suitable copy of this Resolution be transmitted
13 to the secretary of the Department of Environmental Quality and to Clean Harbors Colfax,
14 LLC.

HCR 118 Original

2016 Regular Session

Reynolds

Directs the Dept. of Environmental Quality to develop and implement a sampling plan for testing certain open burn and open detonate facilities and report results to the oversight committees within six months.

Requires the Dept. of Environmental Quality and Clean Harbors Colfax, LLC to form a dialogue committee with 30 days of the adoption of this Resolution.
