1 A CONCURRENT RESOLUTION

2 To express the intent of the legislature regarding R.S. 33:109.1 as enacted by Act No. 859
 3 of the 2004 Regular Session of the Legislature.

4 WHEREAS, R.S. 24:177(B)(2)(b) provides that the "legislature may express the

Present law (R.S. 24:117(B)(2)) authorizes the legislature to express the intended meaning of a law in a duly adopted concurrent resolution, by the same vote and, except for gubernatorial veto and time limitations for introduction, according to the same procedures and formalities required for enactment of that law.

Present law (R.S. 33:109.1), which was enacted by Act No. 859 of the 2004 R.S., requires state agencies and departments to consider a master plan adopted by a parish or municipal governing authority before undertaking any activity or action which would affect the adopted elements of the master plan.

Proposed resolution expresses the intent of the legislature that "shall consider" in such requirement means act in compliance with the local master plan to the greatest extent practicable.
