HOUSE CONCURRENT RESOLUTION NO. 77

BY REPRESENTATIVE BARROW

CIVIL SERVICE/COMMISSION: Requests the State Civil Service Commission to provide a mechanism for placing employees in a specified situation on a preferred reemployment list

1 A CONCURRENT RESOLUTION

2 To urge and request the State Civil Service Commission to adopt a rule to allow state
3 employees whose jobs are privatized or whose jobs are relocated to another parish
4 more than fifty miles from the previous work location to be placed on a preferred
5 reemployment list.

6 WHEREAS, an increasing number of classified state employees are being placed in
7 a position where their jobs are either being privatized or their jobs are relocated to another
8 parish more than fifty miles from the previous work location, and rather than being laid off,
9 their jobs are either eliminated or moved to a location to which the employees may find it
10 difficult or impossible to relocate in a short period of time; and

11 WHEREAS, experienced employees contribute a breadth of knowledge and stability
12 to the workplace; and

13 WHEREAS, the benefit of retaining experienced, well-performing state employees
14 combined with the high cost of training new employees makes it sensible and desirable to
15 give preference to employees whose jobs are privatized or whose jobs are relocated to
16 another parish more than fifty miles from the previous work location.

17 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
18 urge and request the State Civil Service Commission to adopt a rule to allow state employees
19 whose jobs are privatized or whose jobs are relocated to another parish more than fifty miles
20 from the previous work location to be placed on a preferred reemployment list.

1 BE IT FURTHER RESOLVED that the State Civil Service Commission shall report
2 its progress on the rule to the House Committee on House and Governmental Affairs and the
3 Senate Committee on Senate and Governmental Affairs no later than July 1, 2014.
