

1 College of Medical Genetics, and the Louisiana Newborn Screening Advisory Committee
2 have not recommended screening newborn children for adrenoleukodystrophy.

3 THEREFORE, BE IT RESOLVED by the Legislature of Louisiana that the
4 Department of Health and Hospitals shall submit a report to the House Health and Welfare
5 Committee evaluating the health benefits and health care cost of adding
6 adrenoleukodystrophy to the current list of mandatory newborn screenings to be performed
7 when it is recommended by the United States Department of Health and Human Services
8 Secretary's Advisory Committee on Heritable Disorders in Newborns and Children, the
9 American College of Medical Genetics, and the Louisiana Newborn Screening Advisory
10 Committee.

11 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
12 secretary of the Department of Health and Hospitals.

Pearson

HCR No. 81

Directs the Dept. of Health and Hospitals to submit a report to the House Health and Welfare Committee evaluating the health benefits and healthcare cost of adding adrenoleukodystrophy to the mandatory screenings to be performed on a newborn child.

Summary of Amendments Adopted by House

House Floor Amendments to the engrossed concurrent resolution.

1. Changed the requirement that the Dept. of Health and Hospitals amend LAC 48:V.6303 to add adrenoleukodystrophy to the mandatory screenings to be performed on a newborn child to a requirement that DHH submit a report to the House Health and Welfare Committee evaluating the health benefits and health care cost of adding adrenoleukodystrophy.
2. Deleted reference to LAC 48:V.6303.
