Thompson

HSR No. 8

Requests the House Committee on Appropriations to study the feasibility of providing a means in the General Appropriation Act to, over a four-year period, transition 25% per year of state supplemental payments to full-time local law enforcement and fire protection officers to payments towards the unfunded accrued liability (UAL) in the respective retirement systems of such officers and to study the feasibility of continuing such payments to said retirement systems until the UALs of such systems have been eliminated.
