## DIGEST

SB 119 Original

2016 Regular Session

Martiny

Present law defines "excavation" or "excavate" changes "operation for the purpose of" to "operation causing". Further provides for additional circumstances to be included in the definition and makes the illustrative list of examples nonexclusive.

With regard to advance notification to a regional center prior to any excavation or demolition, present law enumerates certain holidays observed by regional notification centers that affect the calculation of the timely advance notification. Proposed law adds Memorial Day and Christmas Eve to the list of holidays.

Effective upon signature of governor or lapse of time for gubernatorial action.

(Amends R.S. 40:1749.12(intro para) and (6) and 1749.13(B)(1) and (4))
