DIGEST

SB 306 Reengrossed                      2024 Regular Session                      Cathey

Present law provides that human trafficking is when any person knowingly recruits, harbors, transports, provides, solicits, receives, isolates, entices, obtains, patronizes, procures, purchases, holds, restrains, induces, threatens, subjects, or maintains the use of another person through fraud, force, or coercion to provide services or labor.

Present law provides that human trafficking is when any person knowingly recruits, harbors, transports, provides, solicits, sells, purchases, patronizes, procures, holds, restrains, induces, threatens, subjects, receives, isolates, entices, obtains, or maintains the use of a person under the age of twenty-one years for the purpose of engaging in commercial sexual activity regardless of whether the person was recruited, harbored, transported, provided, solicited, sold, purchased, received, isolated, enticed, obtained, or maintained through fraud, force, or coercion.

Proposed law provides that to knowingly sell the use of another person through fraud, force, or coercion to provide services or labor of someone for a purpose other than engaging in commercial sexual activity is human trafficking.

Present law provides graduated penalties based on the ages of victims and whether they are trafficked for commercial sexual activity.

Proposed law provides an increase in the penalty for trafficking persons under the age of 18 for commercial sexual activity from a fine not to exceed \$50,000, imprisonment at hard labor for not less than 15 years, nor more than 50 years, or both to a fine not to exceed \$75,000 and life imprisonment at hard labor without the possibility of probation or parole.

Proposed law otherwise retains present law.

Effective August 1, 2024.
