23 shall pertain to more than one building or facility or shall pertain to a building or
24 facility which is to house more than one state agency, their personnel, operation,
25 equipment, or activities, such contract or agreement may be made in the name of
26 the state and executed by the commissioner of administration, rather than in the
27 name of and by an authorized representative or a representative body of the state
28 agency or agencies to be housed in such building or buildings or facility or
29 facilities.

30 (2) The commissioner of administration shall allocate space to one or more

1 state agencies in the building or buildings or facility or facilities to which such
 2 contract or agreement pertains and shall allocate the cost of such housing to or
 3 among such using agency or agencies, which cost shall be provided for in and
 4 defrayed from the budgets of the using agency or agencies. The commissioner
 5 shall determine the amount of the allocations of the costs of such housing to the
 6 various agencies using such building or buildings and facility or facilities in such
 7 manner so that the aggregate of the amount so allocated equals the total cost of
 8 such housing.

9 C. Definition of "agency." The definition of "agency" stated in ~~R.S.~~
 10 ~~39:2(1)~~ **R.S. 39:2(2)** shall be the sole definition of the term "state agency"

 12 following Sections, and the fact that an agency is supported by fees or taxes
 13 collected by, or dedicated to, the agency or which otherwise receives its operating
 14 funds through means other than direct appropriations, shall not be a test as to
 15 whether this Section shall be applicable to an agency of the state.

16 D. Applicability. The provisions of this Subpart shall be applicable to all
 17 agencies meeting the definition of ~~R.S. 39:2(1)~~ **R.S. 39:2(2)** established by the
 18 laws of Louisiana.

19 §1642. Uniform space standards; inventory and evaluation of budget unit space
 20 utilization

21 A. Uniform space standards. The division of administration shall prepare
 22 and utilize a uniform set of standards for determining space needs for state
 23 agencies. These standards shall also provide for a uniform method of measuring
 24 square footage or other measurements used as the basis for lease payments or
 25 other charges.

26 B. Inventory of state space. The division of administration shall conduct
 27 and maintain a complete inventory of state space, both owned and leased.

28 C. Evaluation of space utilization. The division of administration shall

2 §1643. Advertisement and award of lease bids

3 A. Every lease for the use of five thousand square feet or more of space
4 in a privately owned building entered into by a state agency as lessee shall be
5 awarded pursuant to R.S. 39:1594 in accordance with the conditions for use set
6 forth in that Section and only after evaluation of the bids in accordance with the
7 specific criteria contained in the invitation for bids as authorized by R.S.
8 39:1594(E)(2). No such lease shall extend beyond a period of ten years.

9 B. The ten-year limitation shall not be applicable to the management
10 boards created under Article VIII, Sections 6 and 7 of the 1974 Louisiana
11 Constitution.

12 §1644. Amendment of leases

13 A.(1) An existing lease for office or warehouse space may be renegotiated
14 with the present lessor, but only after the division of administration has entered
15 into a competitive negotiation process involving discussions with at least three,
16 unless there are less than three, ~~offerers~~ **proposers** who submit written proposals.
17 Such proposals shall be solicited by advertising as in R.S. 39:1594(C).

18 (2) If it is determined by the commissioner of administration or his
19 designee, after the evaluation of these proposals and discussions with the current
20 lessor, that to renew the present lease would be in the best interest of the state, the
21 renewal of an existing lease may be renegotiated or the commissioner may enter
22 into a lease with one of these ~~offerers~~ **proposers** if determined to be in the state's
23 best interest. In making such a determination the commissioner, or his designee,
24 shall take into consideration, over the duration of the lease, rental rates, the
25 amount of funds necessary to relocate, any geographical considerations particular
26 to that state program, the amount of disruption to state business that may be
27 incurred in moving to a new location, and any other relevant factors presented.

28 B. Any lease for office or warehouse space for under five thousand square
29 feet may be amended up to but not to exceed a maximum of four thousand nine
30 hundred ninety-nine square feet.

1 C. Existing leases for office or warehouse space between a single state
2 agency, a single lessor and affecting a single building or buildings immediately
3 adjacent to each other which leases have different termination dates, may be
4 renegotiated by the division of administration to perfect a single lease for the
5 whole of the office or warehouse space utilized under the existing leases. The
6 renegotiated lease shall not extend beyond the termination date of the latest
7 existing lease, nor shall the price per square foot paid under the new lease result
8 in a total payment in excess of the total of the combined payments under the
9 preexisting leases.

10 D. In the event alterations or modifications of space currently under lease
11 are required to meet changed operating requirements, a lease may be amended.
12 Such lease amendment may, with approval of the division of administration,
13 provide an adjustment in monthly lease payments not to exceed twenty-five
14 percent of the original annual lease price per square foot, sufficient to reimburse
15 the lessor for paying for the leasehold improvements; provided, however, that any
16 adjustment in monthly lease payments shall also require the approval of the Joint
17 Legislative Committee on the Budget and the continuance of an adjustment in
18 excess of the current lease shall be further contingent on the appropriation of
19 funds therefor in the following fiscal year.

20 E. A lease may be amended, with approval of the division of
21 administration, to provide an adjustment in monthly lease payments not to exceed
22 ten percent of the original annual lease price per square foot and not to exceed ten
23 thousand dollars per year.

28 units of economically feasible production runs in order to facilitate offers or bids
29 from small businesses. In making his annual designation of ~~set-aside~~ **set-aside**
30 procurements the commissioner shall attempt to vary the included procurements

1 so that a variety of goods and services produced by different small businesses
2 shall be set aside each year. The failure of the commissioner to set aside

4 businesses from seeking the procurement award through the normal solicitation
5 and bidding processes.

6 B. Contract procedure. The commissioner shall establish a contract
7 procedure in accordance with law, for the awarding of a procurement contract
8 under the ~~set-aside~~ **set-aside** program established in this Part. Surety bonds

17 of the procurements designated for ~~set-aside~~ **set-aside** awards shall be awarded,
18 if possible to businesses owned and operated by socially or economically
19 disadvantaged persons. In the event small businesses owned and operated by
20 socially or economically disadvantaged persons are unable to perform at least ten
21 percent of the ~~set-aside~~ **set-aside** awards, then the commissioner shall award the

23 E. Preference to women. At least ten percent of the value of the
24 procurements designated for ~~set-aside~~ **set-aside** awards shall be awarded, if

3 thereupon designate and set aside for small businesses additional state
4 procurements corresponding in approximate value to the contract unable to be
5 awarded pursuant to the provisions of this Part.

6 G. Conflict with other code provisions. All laws and rules pertaining to

17 he shall so inform the secretary of economic development, who shall assist the
18 small business in attempting to remedy the causes of the inability to perform a
19 set-aside award. In assisting the small business, the executive director of the
20 Louisiana division of minority and women's business enterprise, in cooperation
