DIGEST

Present law (R.S. 47:337.10(K)(1)) only exempts the following from the sales and use tax of any political subdivision in any parish with a population between 230,000 and 300,000 according to the most recent decennial census:

- (1) Vaso-endothelial growth factor, known as VEGF inhibitors, including but not limited to Visudyne and Macugen.
- (2) Complex biologics such as monoclonal antibodies, including but not limited to Infliximab.

Proposed law repeals present law and grants a statewide exemption from the state sales and use tax and the state and use tax of any political subdivision in this state:

- (1) Vaso-endothelial growth factor, known as VEGF inhibitors, including but not limited to Visudyne and Macugen.
- (2) Complex biologics such as monoclonal antibodies, including but not limited to Infliximab.

Effective July 1, 2011.
