SENATE BILL NO. 657

BY SENATOR BUFFINGTON

FUNDS/FUNDING. Authorizes public or private entities to make certain donations to participating school systems for children enrolled in the Cecil J. Picard LA 4 Early Childhood Program classes. (7/1/14)

1 AN ACT

2 To enact R.S. 17:407.26, relative to financial assistance for participating school systems
3 with early childhood programs; to authorize public or private entities to make certain
4 donations to students enrolled in the Cecil J. Picard LA 4 Early Childhood Program
5 classes; to provide for an effective date; and to provide for related matters.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. R.S. 17:407.26 is hereby enacted to read as follows:

8 **§407.26. The Cecil J. Picard LA 4 Early Childhood Program; early childhood**
9 **development and enrichment activity classes; financial assistance**

10 **A. Notwithstanding any other provision of this Section to the contrary,**
11 **any public or private entity, including any nonprofit organization, may make**
12 **a directed donation to any participating school district for a student who is**
13 **enrolled in Cecil J. Picard LA 4 Early Childhood Program classes.**

14 **B.(1) Recognizing the success and growth of the Cecil J. Picard LA 4**
15 **Early Childhood Program and in order to maintain the long term financial**
16 **stability of the program, private businesses, industry, foundations, charities,**
17 **and other groups may request from the division of administration that,**

1 notwithstanding any provision of law to the contrary, they may create privately
2 funded scholarship programs to make payments to participating school districts
3 on behalf of qualified students. If the division of administration were to
4 approve a private scholarship program then any scholarship funds received by
5 an eligible college or university from a private scholarship program on behalf
6 of a student shall cause a reduction in the dollar amount of the allocation to the
7 participating school district such that the allocation shall be an amount that is
8 equal to the dollar amount that the allocation would have been if no private
9 scholarship funds had been received less the amount of private scholarship
10 funds received by the participating school district.

11 (2) This Subsection shall in no way be interpreted in such a manner that
12 a participating school district would receive less benefits from a combination of
13 the allocation from the program and the private scholarship funds received then
14 it would have received solely from the allocation if there had been no private
15 scholarship funded. Therefore, to the extent that any privately funded
16 scholarship funds provided for in this Subsection made to a participating school
17 district are for an amount less than the amount the participating school district
18 would have otherwise received as an allocation if no such private scholarship
19 funds had been paid under this Subsection, then the participating school district
20 shall receive that difference as an allocation under the program.

21 (3) As provided in this Subsection, when a participating school district
22 receives privately funded scholarship funds pursuant to this Subsection, the
23 annual appropriation of state funds for the Cecil J. Picard LA 4 Early
24 Childhood Program shall be reduced by the amount of the private scholarship
25 program funds so received. The state treasurer shall deposit the amount of the
26 reduction as specified by the commissioner of administration into the
27 Overcollections Fund created in R. S. 39:100.21 and credit the deposit to an
28 account within the fund hereby established and created to be known as the
29 "Program Participation Savings Account".

1 Section 2. This Act shall become effective on July 1, 2014; if vetoed by the governor
2 and subsequently approved by the legislature, this Act shall become effective on July 1,
3 2014, or on the day following such approval by the legislature, whichever is later.
