SB NO. 666 ENROLLED

A. Every health maintenance organization shall maintain the books and records relating to activities conducted in the state in its offices within the state pursuant to the provisions of this Subpart. Such health maintenance organization may cause any or all such books, records, documents, accounts, and vouchers to be photographed or reproduced on film. Any such photographs, microphotographs, optical imaging, or film reproductions of any original books, records, documents, accounts, and vouchers shall for all purposes be considered the same as the originals thereof and a transcript, exemplification, or certified copy of any such photograph, microphotograph, optical imaging, or film reproduction shall for all purposes be deemed to be a transcript, exemplification, or certified copy of the original. Any original so reproduced may thereafter be disposed of or destroyed, as provided for in Subsection B of this Section, if provision is made for preserving and examining such reproductions.
