The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act relative to food labeling.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 And Provided further that notwithstanding any special or general law to the contrary the
2 Department of Public Health shall implement a food labeling program for commercially caught,
3 landed and sold saltwater fish including but not limited to tuna, mackerel, swordfish, grouper,
4 striped bass and bluefish. The label shall provide the consumer with information concerning the
5 safety and the risk factors of consumption of the fish based on toxin levels in the fish and their
6 hazards to human health, in particular the health of young children, women of child-bearing age
7 and pregnant women.
